President's Report 2006-2007

I'm starting this report with the good news that the South Island Championships were a great success. Many thanks to Kerry Downie and her team. We have had only good comments about the meet.

Now onto what this report should be and that is Thank you to the SNM Board for their hard work and long hours that have been put into the sport of swimming in this region. We have started something extra ordinary as in SNZ strategic plan, there are a few things that the Board has started working on, with coaching in mind as well as more winter meets and more use of the ASB Aquatic Centre. (More info in the new season). Come along and see what I'm talking about.

All members of the Board have other jobs and families as well as their jobs on the Board so for those of you out there that have a say outside of the Board, please put your hand up and come join us. We appreciate all the help we can get for our swimmers and to make swimming successful in this region. If we had a full number of Board members there would only be a little for us all to do. Many hands make light work!!

I would like to say Thanks again to Margaret Young for your help to both myself and the Board. As always your knowledge is a great assistance to us all.

Katy Steele - Thanks must go to you for the great job you did on the funding front. What a difference it makes when we are lucky enough to have someone who will take on this tough job. Well done and many thanks from all of us on the Board.

A huge Thank You must go to Lisa Brown, Ian Fenemor, Wendy Fryer and Deborah Page for the arranging and transporting of the swimmers to the first South Island Country and Town meet in Queenstown. This amazing team brought home the cup for the overall points for the meet. Well done, you all did the region proud.

Thanks must also go to Johanna Gessler for her job as region Registrar/Recorder. Johanna made sure that all swimmers who had qualified in National Meets received letters informing them of this. A sterling effort Johanna, thanks again.

Well done to all the swimmers of SNM for the team spirit that I saw around the pools this year. Thank you to the parents that helped throughout the season.

I would also like to thank the parents who took and passed their Officials exams and I look forward to working with you all in the coming season.

I could go on and on but the Board has done very well this past season and one last Thank You to all that helped make it what it was.

Stephen Fryer
SNM President/Chairperson.

PRESIDENT'S REPORT NELSON

It is hard to believe that the 2006 swim season is over.

It was a season of change for the Nelson Swimming Club with the arrival of our new coach in September 2006, Daniel Padiar from the UK and February 2007 the departure of Emma Thompson to attend university and continue training in Christchurch with Jasi Club and Alex Laidlaw who moved to Christchurch also to train with Aqua Gym Club...sadly this meant the loss of Jenny Laidlaw from our committee and club. Her enthusiasm and energy in fund raising and uniforms will be missed.

However as the saying goes, one door closes another opens and there we were fortunate to find Gretchen Griffin and Richard & Karen Borrell waiting eagerly to take on new tasks for the depleted committee, with Gretchen offering her expertise in keeping our club uniform available for swimmers already sussing out the purchase of those wonderful big swim coats and Richard in offering his services to complete all those funding application forms for our travel and accommodation. Thank you both for your willingness to assist the club. Greg Pope offered to continue the support on Club Nights along side anyone else who felt inclined.

Katy Preston our Treasurer and Gill Thornton Secretary/recorder both continue to work tirelessly keeping the books in order, getting relevant information out to swimmers and keeping up with those entries and results for competitions and championships in and out of Nelson.

Our liaison officer, Paul Thornton has kept up regular contact with CLM keeping the relationship between Club and CLM positive and amicable.

Our swimmers once again did us proud throughout the 2006/2007 season with 2 swimmers representing the club at national level... being Alana Brown and Tim Corbett who both attended Division 2 Nationals at Invercargill March 2007. Alana achieved 3 second placings in finals of 50, 100, & 200 breast stroke and Tim some good Pbs. Thank you Wayne Corbett for assisting as Manager for Alana & Tim at this National Event.

Early February Nelson Marlborough hosted the South Island Swim Championships at Nayland Pool. Jack Armstrong, Alana Brown, Alex Laidlaw, Emma Thompson, Tim Corbett, Jamie Spriggs and Joe Thornton represented the club with swimmers making finals and gaining placings in finals. This was very busy week end for parents involved in the club and I extend our very grateful thanks to those who assisted in any way to allow this championship to run smoothly and successfully.

Locally in December we held our annual Fab 50 & Top 200 meet at Nayland Pool. Another successful meet with fine weather and lots of great spot prizes for our swimmers. Without all the volunteers we could not run this meet so thank you to all who made this possible. We wish to thank all our very kind and generous sponsors who donated prizes for our Meet.

Once again our club swimmers attended many meets throughout the year with a number of them being in Christchurch, including Canterbury A Champs, QE 11 Champs, Wharenui Winter Olympics, Wharenui Juniors. Well done swimmers, this competition out of Nelson throughout the Season is crucial for you to keep up that competitive edge you need. It is great to see our junior swimmers joining us on these trips out on Nelson seeking racing and tough competition.

A number of club swimmers attended the Nelson Marlborough Winter and summer champs at ASB and Blenheim. These are great meets for the younger swimmers to start some serious racing.

It is very encouraging to see the new swimmers joining our Learner Squads and, training alongside our Elite Swimmers. With Club nights and Local meets in store for you we hope to soon see you joining us at the meets and championships out of Nelson.

A very warm welcome to all the new swimmers and their families. We look forward to seeing you poolside and joining in with club fun nights.

CLM has continued to hire our club rooms and we are happy to note the renovations and redecorating that have taken place in the club rooms courtesy of CLM, make our club rooms a much friendlier and warmer environment to be in

SWIMMING NELSON MARLBOROUGH INCORPORATED

The use of both Riverside & ASB for winter training and Nayland Pool in the summer has continued providing swimmers with a variety of pool distances and environments.

The Committee along with coach, Daniel & CLM management have devised an updated Code of Guidance for swimmers outlining expectations and procedures. This document will be given to all club members and parents/caregivers.

Joe Thornton, Tim Corbett & Alana Brown will be attending a 3 day training with Gary Hurring to be held here in Nelson early July. Opportunities such as this are rare for our Nelson swimmers so it is good to see this being organised. This camp replaces the attendance at Regional Camp which is held annually at this time of the year...

Our Nelson Swimming Club website is up and running, providing useful information to. Swimmers, parents and others wishing to obtain information about our club however we are still hoping there is someone out there who wishes to take over the updating and loading of information onto our website

Our two diving blocks installed at Riverside have been a great asset. .allowing our swimmers opportunity to practice correct dive & starting techniques Thank you to all those responsible in the designing of and setting up of the blocks at the pool. We look forward to the day when we can install 4 more blocks.

Finally, I feel happy that our swimming club is in the hands of an enthusiastic and committed group of parents who form our hard working committee.

I believe we can look forward to a successful and rewarding 2007 /2008 season for our swimmers, coach and committee. Together we can Achieve.

Best wishes for the coming season

### **PRESIDENT'S REPORT NELSON SOUTH**

I am delighted to present this, my first official President's Report, for the Nelson South Swimming Club.

The last season has again demonstrated the strength of the Nelson South club, with continued good membership numbers and a friendly atmosphere around the pool. The aim is obviously to support the swimmers to achieve improvements in the water, and 193 personal bests at the Nelson Marlborough Age Group Champs was an excellent result. These results aren't achieved without contributions from many people. The swimmers themselves put in lots of work. There is the commitment from coaches, parents and the various people who assist to organise and run the swimming carnivals. Most of these contributions are voluntary. At Club level swimming is all about people pitching in to help make things happen. And as anyone who has been involved with swimming for even a short time will know, it is a sport that requires a large number of helpers. From timekeeping to selling raffles, IOT to cooking sausages, there are many tasks that need to be done. I thank all those people who have contributed over the last year to support our young people to swim.

Congratulations to all swimmers who achieved their targets, with particular mention of those who swam times that qualified them for national events. We had swimmers from Nelson South at Junior Nationals, at Division 2 and at the National Age Group Champs. Well done to all of you. But I also want to acknowledge the growth of these young swimmers who become fantastic young adults. The Club fosters the development of swimmers to become responsible and considerate young adults. Often sport provides a platform from which life skills are learned. I have read that swimmers and rowers tend to be amongst the most disciplined and successful of students at the high school level.

There are areas that need attention within the Club. Financially the Club has had a better year than 05/06 but it must be understood that our reserves aren't sufficient to meet the cost of improvements that are needed. The biggest issue is the cost of replacing the heating plant. The Committee has researched the options and determined that heat pumps are the most cost effective way to go. However this comes with a capital cost of around \$75,000 and thus far we have only raised \$25,000. The clubrooms need maintenance, and some newer furniture will be needed in the near future. Last year we bought a new pool cover and another cover will be needed this year. We need to be focused on raising funds from as many sources as we can.

Looking to the future we also need to plan for whom will fill the important Committee roles. For the 08/09 season I expect that a new Treasurer will be needed, and probably a new Recorder also. To prepare for this we need to identify people who are interested and start providing training for them this season.

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

Finally, I will long remember the noisy support of the swimmers at this year's Nelson Marlborough Age Group Champs. The parents had loads of fun and I believe the swimmers were stimulated to go harder. The Club is in good heart.

I move the adoption of this report.

### **PRESIDENT'S REPORT GOLDEN BAY**

The 2006 ~ 2007 season was another successful one for Golden Bay Swimming. Club membership increased to nearly 80, partly as a result of the newly formed 'Masters Swimming' group.

Coaching:

Unfortunately our Head Coach, Andrew Brown, had to reduce his hours due to work commitments. Luckily he had enough time to coach the B-Group swimmers. Andrew hopes to have more coaching time next season. Lisa Hunt and Giesela Winter continued their great work with the coaching of Groups C, D and E, as well as filling in when Andrew couldn't get away from work. An unexpected bonus was the arrival of Victoria Schonwald (Tori) whose vision of starting a Masters Swimming Group for adults of all ages and abilities became a very successful reality. Tori also helped out with coaching of the other groups and her abilities were much appreciated. We are all hoping she will be back in Golden Bay next season.

As we have come to expect, swimmers in all groups made much progress during the season, evidenced by the great number of achievement certificates handed out at the end-of-season prizegiving.

Highlights of the season included:

- The Tata Swim in early January was quite a successful fundraiser for the club, despite a somewhat unpromising start to the day which no doubt resulted in reduced competitor numbers. Hennie Pemberton's 'Tata Tiles' for the winners were particularly appreciated once again, as was the large number of spot prizes. The ongoing generosity of many local businesses in donating prizes and sponsorships leaves no doubt that we should 'buy local' whenever possible. Clements Rylock of Nelson continued as our major sponsor. A great bunch of volunteers helped with the smooth running on the day.
- Continuing last season's successful trial, coaching sessions for the competitive swimmers continued through much of the summer holidays. Three of the B-Group swimmers qualified for the South Island Country and Town Championships.
- Our Ribbon Carnival quite successfully introduced a different format to allow both competitive and non-competitive swimmers to participate in events at their level. Also the change of date from November to mid-March seemed to suit most swimmers. We hope for even better participation next season, especially from the other Nelson-Marlborough clubs.
- Another first was our End-of-Season Meet which was a fun day and helped decide trophy points for the season.

Once again we have benefited from Golden Bay High School's commitment to supporting swimming. A new filtration system enabling very low chlorine levels in the pool benefited swimmers. Pool heating and the good weather allowed the season to continue right to the end of the first term. In particular we thank Stuart Machin and Richard Barham and the boys who operated the pool cover every morning and evening.

Finally, my thanks to all the Committee, every one of whom contributed to the success of the season, to all the parents who showed an interest by supporting their children and helping with Club activities, and finally to the swimmers themselves who came, strived, and improved.

## PRESIDENT'S REPORT BLENHEIM

The 2006/2007 swimming season has been successful one for the Blenheim Swimming Club in several aspects;

### **New Members**

We have welcomed to the club several new swimmers and their families; I hope that you have felt welcome and enjoyed the competitive environment of our monthly "Ribbon Meets"?

New parents, with your first swimming season now under your belts you will appreciate that there is a fare amount of effort put in to keep the club going and the need for your help on swim meet nights as an official to enable a swim meet to take place, this is a very labour intensive sport.

### **Swim Camps**

We held two very successful swim camps, one in July 2006 and one in November 2006.

These were split into Junior and Senior sessions to cater for the skills, abilities and endurance of our swimmers.

Thanks to the following coaches for making these a success;

Clive Wheeler from Stratford

Marian Moore and Kirsty Mattison from Blenheim.

Thanks also to the "Blenheim Roundtable Club" for their generous support of the July camp, please remember to support the Roundtable group in the public service and community fund raising events that they organise.

Thanks also to the parents who helped with the Sunday morning breakfasts, enjoyed by all.

A small group of swimmers also took the opportunity to travel to Stratford for the "Stratford Flyers" five day camp in early January; this was a very intensive ten session camp that tested the swimmers mental and physical attributes.

Thanks to the "New Zealand Community Trust for their sponsorship to assist with this camp.

Ian Kerry accompanied me on this camp as parent help, thanks Ian for you company and fun we had in helping to prepare meals etc, they would have been lost without us!

### **Swimming New Zealand (SNZ) National Events**

We had swimmers attend the following national events:

SNZ Spring Meet in Dunedin September 2006 - 3 swimmers.

SNZ Junior Championships in Christchurch February 2007 - 4 swimmers.

SNZ Age Group Championships in Hamilton March 2007 - 3 swimmers.

SNZ Division II Championships in Invercargill March 2007 - 2 swimmers.

SNZ Youths and Open Championships in Christchurch April 2007 - 1 swimmer.

Congratulations to those swimmers that made it to these national events, keep up your efforts in the upcoming season to qualify for another national event and encourage your fellow swimmers to put in that extra effort to qualify also.

### **South Island Swimming Championship**

The South Island Championships were hosted by Swimming Nelson Marlborough (SNM) at Nayland in February 2007. BSC was a major sponsor of this event and also made a major contribution in "officials" to help run this event.

Our swimmers performed well in trying weather conditions.

It is encouraging to hear the South Island Championship Committee is looking at changing the date of this event away from the busy national calendar in February.

It has also been indicated that this Championship will only be held in the future in indoor pools so there is likelihood that SNM won't host this event again with our current regional facilities being inadequate. Yet more travel for swimmers and support people from our clubs/region

Moving this event back to December when it was traditionally held would be spot on, a great time for swimmers to get qualifying times before the end of the calendar year.

### **Swimming Nelson Marlborough (SNM) Summer Champs**

The BSC hosted this event this year and was very successfully run.

My special thanks to Rachel Ridley who was the cornerstone of this meet.

This event needs to be rationalized as to when it is held as it was held the weekend prior to SNZ Age Groups

Championships which eliminates those swimmers who are going to attend the national event from giving their best at this regional event.

### **Fund Raising**

A successful year for fund raising with applications going to many different organisations with varying success, thanks to the following organisations for their support:

- Blenheim Round Table
- Redwood Trust
- New Zealand Community Trust

## SWIMMING NELSON MARLBOROUGH INCORPORATED

• Aaron Davis

The “Cadbury Fund Raising” chocolate sales also contributed to our bank account balance, thanks to Andrea Carr and Paula Ferguson for organizing these respective fund raising efforts.

### Committee and Officials

Thanks to my fellow Committee members for your efforts over the past year.

Thanks also to all the officials who made the various meets a success, especially to Ivon Clemett for his dedicated involvement and experience he brings to the club, a true stalwart!

### Our Swimmers

Congratulations on your individual successes during the past season, you’ll always remember those wins and personnel best times way ahead of the events that didn’t go so well for you.

Swimming is a sport of dedication and commitment, there are not many sports that require the same amount of training time required to be a successful swimmer and here in Blenheim you are only scratching the surface.

Quote:

**"Identify your personal limits and then push past them. Then set new barriers, and repeat the process, again and again and again."**

Nicole Haislett – Swimmer (USA), Olympic Gold Medalist 1992

### Conclusion

For me it has been a busy year as Club President and also stepping in to learn and carry out the role of Register/Recorder a busy enough role on its own.

The club is in good financial shape but with a need to upgrade its computer and the two soft ware programs (HyTek Meet Manager and Team Manager) that are required to run the club and events. I strongly recommend that these are purchased out of the existing funds.

After five years on the committee in various roles and also a stint on the SNM Board it is time for me to step aside.

A great time for some people to step up and make a contribution to the club organisation!

I wish the incoming committee all the best for a successful swimming year ahead!

**Mark Boyle**

### PRESIDENT’S REPORT MOTUEKA

Good Evening, on behalf of the committee I would like to welcome our invited guests, all our parents and supporters and of course our swimmers here tonight.

I begin my report by paying tribute to our committee members, who have put in many hours of hard work to keep everything running smoothly over the season.

I have several people who deserve a special mention, Gill Bisley, who joined the committee this year and was able to take on the treasurer’s role, which is a huge job. Tony Brown, club recorder, who even through illness, kept our swimmers informed of their times and encouraged them by showing them how close they were to qualifying for events. Last but not least Steve Fryer, president of Nelson/Marlborough swimming, for answering my many questions and being a wonderful sounding board. Your phone number is now on my quick dial!

Again, this year, we have been fortunate to have the assistance of some pretty great coaches, Maree Satherley, with her assistants, Ann, Casey and Olly for the junior squad. Diane Saunders with Casey, for the intermediate squad. Casey you too deserve a special mention as not many people your age would give up every week night to coach young swimmers, Thank you. Stefan Laing, thanks for all your work with the competitive swimmers, they have performed so well with your guidance. Also thanks to Ian and Brett Currie, for helping out when Stef was away. The swimmers enjoyed having you there.

I would like to thank our local businesses for their continuing support Whitwell Menswear, House of Gifts, Video Ezy, Infields Engineering, ITM, Buildright and New World.

Thank you to our major sponsors this season, Lion Foundation, Canterbury Community Trust, and Scottwood Trust.

We finally arrive at the main reason for gathering in this hall tonight- the swimmers. Congratulations to each and every one of you for achieving personal best times and realizing your goals for the season.

Club Champs was great to watch this year, with so many of our younger swimmers having the confidence to enter in so many events. We had 10 records broken including both the women’s relay records. Well done to every one who swam on the day.

We had 7 swimmers attend Canterbury Champs and 6 swimmers at the South Island Champs, all performing brilliantly with some wonderful PBs, well done.

Ian Fenemor & I had the privilege of taking 7 swimmers to the 1<sup>st</sup> South Island Country & town champs. It was a very successful weekend, even with all the van trouble, with Nelson/Marlborough winning the South Island Country & Town regional cup

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

A team of 12 swimmers went to Blenheim for the Nelson/Marlborough age Groups. The swimmers all performed well with Motueka coming home with 15 titles.

Our Fab 4 went to Div 2 nationals, and performed excellently. We wont mention much about the cross dressing or the shopping cart incident guys.

Finally, Ann & Faye went to the youth & Opens. You guys were amazing, congratulations to you both. Ann, for your finals performance in the 50 back, and Faye, 2<sup>nd</sup> fastest 16 yr old female in NZ for the 50 Breast. You should be very proud of yourselves. We are, well done.

Thanks for coming and I hope to see you all again at registration in October.

### **PRESIDENT'S REPORT KAIKOURA**

A very successful season was held. This was due to the dedication and enthusiasm of the coaches, the enthusiasm of the swimmers, as well as a very supportive committee. We were fortunate to have three competent, able coaches move into the district. As they had been very successful swimmers, in their younger days, they were a great catalyst for the success of the older club members.

The two week "Holiday Learn to Swim" programme, held in the Primary School pool, proved to be very popular again, with more than thirty children taking part, in the daily lessons. As well as increased confidence and improved strokes, the children learnt some survival skills. All participants made great progress and received a certificate at the end.

After school "Learn to Swim" and "Stroke Improvement" groups were also held in the Primary School pool. This was an ideal venue, as the weather did not interrupt the regularity of the lessons. The pool is also an ideal size and depth for swimmers at that level.

The Lions Pool was the venue for the more able swimmers. There weren't the "Competitive Swimmers" which we have had in the past but there were certainly many enthusiastic younger members. They will hopefully form a good base for the Kaikoura Club to build on.

Club Carnival nights were popular and helped to build up a good club "spirit." It was great to see the older swimmers encouraging the younger ones. There was also great parent support. The Break-up and Presentation function was well attended. Trophies and certificates, acknowledging achievements, were presented.

The success of any organization is often dependent on people who do things behind the scenes. I would like to acknowledge the input that our Treasurer has had in organizing the Carnival nights result sheets, as well as the catering fundraiser, at the end of the season. Our Secretary also kept us up to date with information from Centre, as well as forwarding information to them.

As a club we thank the Kaikoura Primary School for the use of their pool, the Kaikoura Star for the coverage of events, schools in the district for advertising events in their newsletters and Robbies for being the venue for raffles.

The season may have been short, with the weather quite unseasonal but we made the most of the opportunities to establish a great Kaikoura Swimming Club. With a team of dedicated and enthusiastic coaches, I am sure we can look forward to even greater things next season.
