President/Chairpersons Report 2007/2008

This season I'm starting this report with a message to all the people involved with this sport of swimming, the sport needs your help to run it so the swimmers can do their best and become the next world champs.

Now to the season that has just passed. A big thank you must go to your Board for the hard work put in by the few members. I would like to say a personal thank you to some people that have worked in the background for very little thanks.

Brent Cheyne - as the treasurer, for keeping the Board on track and for his thoughts and help with the RAD's day, carrying on with running the coaching group as well as extra training with our top swimmers.

Johanna Gessler - thank you for your support as the Registrar/Recorder and the extra work that I know the swimmers enjoyed, for helping and supporting the RAD's program, support you have given to the coaching program of our top swimmers and also for taking over as head coach at the Motueka Club.

Debbie Troman - for her support to me and the Board.

Margaret Young - for her help at the Board level and club level. I, for one, look forward to your help in the new season Margaret. Thanks again.

The Coaches - for your support with the RAD's day and for forming the Coaches Group and improving the coaching standard over all the clubs.

Thanks must also go to the younger group of people that put their 'hands up' and attended the RAD's program and have been coaching. Please keep it up.

Thank you must also go to the clubs and their committees, without you Swimming Nelson Marlborough wouldn't be here.

If I forgotten you, please take this as a very big Thank You from the SNM Board and myself.

From the information that has been given to me, most swimmers have had personal bests or very close to their personal bests. Well done swimmers. The Country and Town team that travelled to Oamaru for the SI Country and Town Champs all did very well and SNM got second. Well Done Team. I congratulate all swimmers for their representation of Nelson Marlborough when they travelled out of the region. Well Done all.

Looking to the future - your board has asked the clubs for help over this last year but to no avail, so these words are to shock you all into helping your Board. If SNM carries on the way it is with no funding and no help from the clubs then our funds will run out in approximately 24 months.

I have put a lot of thought into my position as President and Board member and will stand again if you the members want to have me. Also some of the Board members are looking at standing down this year as they think that it is time for 'new blood'. It may be time that we look at the way the Board is set up. I think that the Board needs someone from each club to be on the Board or attend meetings as a representative from their club. This way your club will get to have a say!

Thank you and all the best for the coming season.

SEASON

SWIMMING NELSON MARLBOROUGH INCORPORATED

CLUB REPORTS

Waimea Swim Club

Kia Ora,

It is great to see so many swimmers enjoying what the club has to offer. This year was exceptional for the weather. We started the season with the pool temperatures much warmer than usual, which got our season off to a great start. It only began to cool down in the last two weeks

For the first time we offered winter training - run by Waimea Club. Tim and I coached on Monday's and Wednesdays at the ASB Aquatic Centre. We had several Waimea swimmers and a dozen from Motueka club. It was good for the Waimea swimmers to see and train with older and faster swimmers. It definitely encouraged them to train harder.

Swimming Nelson/Marlborough ran a winter swim camp and invited swimmers to attend. Amy Cooper was chosen from Waimea club and was treated to a weekend of hard training with a former New Zealand representative and top coach - Gary Hurring. There was a lot of information for the coaches to take in too. It certainly helped me. In my capacity as coach I also attended a coaching course that reinforced a lot of what I had learned at the swim camp as well as providing me with new tools for coaching.

We decided that Tim would coach at Motueka on Mondays, and at Waimea on Thursdays this season to enable Motueka's new coach to be consistent with the training programme established over the winter and to ease into the role of coach. In order to accommodate this, the plan was that the level four swimmers would go to Motueka on Monday's when Tim was there and train with the Mot swimmers. However most of them decided either it was too far or they preferred our pool and came here on a Monday. It is nice to be so loved, but made it a very busy time for me the coach, especially after the school holidays finished. Tim assures me he will be back next season at Waimea, but we have yet to negotiate days.

We were beginning to look round for another coach when the Hunt family decided to join our club. We found out Lisa had been coaching in Takaka, and asked her if she would be able to help. She happily volunteered to coach level 2. Thank you very much Lisa. Having an extra coach, improved the quality of coaching for all the swimmers. I hope we have her able assistance for the next few seasons.

It is with great sadness that we have to say good-bye to Kate Halkett this season. She is going on to bigger and better things next year. She has been a very thorough, reliable and hard working coach for the level one children and will be greatly missed by everyone. It is not only Kate we are saying good-bye to, but also the long association with the Halkett family. Her brother Brett, and sister Leah have also been coaches for the club. Lawrie Halkett (for those who don't know, Kate's dad) has been a great support and maintenance person, and Kaye (Kate's mum) was a committee member for a long time before she took on the job as president. Thank you to all of you, it is people like you that keep clubs going. Kate we wish you well in your studies this year and for next year at university. Thanks for all you have done.

Warm water and lots of competitors this season have made it a great season for Waimea club. After a year of only having one competitor I am pleased to say we had a team of ten at the Mot carnival, two at the fab50 and top 200's, three at the Nelson Marlborough Country and Town Champs, five at the Age Group champs and Twenty Seven at our own ribbon carnival.

The Waimea Weekly was able to be at our ribbon carnival and club champs to let the community know of the achievements of our swimmers this year. It was great coverage.

Congratulations to Hayley Brown and Amy Cooper who both gained medals at the Nelson Marlborough Country and Town Champs.

Congratulations also to Hayley Brown, Seane Watkins, Kaitlyn Stringer and Amy Cooper who all gained medals at the Age Group Champs, and Tom Stringer who made all his finals against very stiff opposition.

Hayley Brown, Seane Watkins, Amy Cooper and Kaitlyn Wehner qualified to go to the South Island Country club champs, although only Kaitlyn was able to go this year. Hopefully all who qualify will go next year.

It was wonderful to see almost the whole club enter club champs this year. I have been informed it was the best club champs yet! It was certainly exciting swimming. Although we did not break any old records, Kaitlyn Stringer created a new one by swimming the Girls 12 years 400m Freestyle. Thank you Kaitlyn, it will be a hard task to beat that record.

I am proud to say I have noticed that the swimmers at this club display a great deal of sportsmanship. Things like shaking hands at the end of races, encouraging other swimmers and helping new competitors. I would like to share with you one

SWIMMING NELSON MARLBOROUGH INCORPORATED

example of sportsmanship I witnessed at our club champs. When Emily was asked if she touched the wall at the end of the backstroke leg of her medley, she was very honest and told the referee she had not. As the referee was not sure, she could have lied and therefore not been disqualified. Emily it is no fun to be disqualified, but I want to let you know that the level of sportsmanship you displayed is a far greater asset than winning a race. I hope everyone in this club can be as sporting as you are.

I would like to thank all those parents and caregivers who gave up their time to help at pool side during the season, setting up and covering the pool, time keeping and the many other tasks that we require help with.

Finally I would like to thank the committee who has worked hard to make the club run smoothly. Organising carnivals and fundraisers and all the administrative tasks takes time and commitment without a committee we would not have a club.

This season Stephanie Brown resigned after two years on the committee. She has done a great job of organising the pool roster, and food at carnivals, and ensuring that we are able to have BBQ fundraisers. One of the things we, and I suspect most of our club members, will miss most of all is your ability to make perfect giant cookies!!! Thank you Steph for all your help.

Maree Holland is also stepping down due to other commitments. She has been on the committee for two years and has come up with many ideas at committee meetings. She had been a good communicator between the club and the school. She has done a good job at organising the swimmers at our ribbon carnival and club champs this year. Her enthusiastic approach to problems has been invaluable. Thank you Maree, we will miss your encouragement and enthusiasm.

This brings me to Clare Flowers. Clare has been on the committee for about six years. She has gone from being a committee member thrown in at the deep end to being a committee member who knows lots about everything swimming related. She took on the treasurer's job and did it very well. She became an Inspector of Turns, and was invaluable at our carnivals. She attended Swimming Nelson/Marlborough committee meetings as an observer and reported back to the club, so we were always informed. For many years she did the newsletters, pool roster, organised fundraising as well as the finances. She has always been a great help to me especially when I took on the Presidents role. Clare, we will really miss your cheerful approach to any problem, and your vast knowledge. Thank you for the time you have put into Waimea Swimming Club over the years and especially this year when you have no children attending the club. We are very grateful for your generosity.

And so this year ends with a depleted committee, but it has been a successful season for our swimmers. With your help we can build on this, and become more successful in the future.

Ka Kite Ano
Michelle Cooper

Not sure about this bit – where does it fit in?

I will begin with the time prior to the season starting. Thank you to all those who helped when we did our fundraising at the masked parade. We decided to take our BBQ. What a lot of sausages we sold that night. We hardly had time to take a breath. It was very worthwhile, and meant we did not have to do any more fundraising this season.

Nelson South Swim Club

Nelson South Swimming Club Presidents Report 2007/08

The last year has seen something of a change amongst the swimmers at Nelson South. For various reasons the group of older male swimmers have moved on, meaning that our most senior swimmers are 16 year old women, and our oldest male swimmers are 15. This creates something of a vacuum for the younger swimmers in terms of who they look up to. I want to recognise the successes of the senior swimmers, particularly Jasmine Bewley who received many awards during the season including Nelson Marlborough Swimmer of the Year, and culminated in participating in the NZ Championships and Olympic trials. Her efforts are a great example for the younger swimmers.

Aside from Jasmine, many swimmers participated in regional and national events and on behalf of the Club I congratulate these swimmers on their successes. There are some highly competitive age groups coming through and the future of our competitive swimmers looks positive.

SWIMMING NELSON MARLBOROUGH INCORPORATED

Behind the swimmers there are a large number of people who contribute in various ways to enable the sport to flourish. My thanks to all these folk. I want to specifically note those folk whose contribution is most significant – Jos and Margaret Pattison for the many tasks they complete behind the scenes as well as Jos leading the coaching team, Graeme Troman for his work as Recorder (an often thankless task), Lindie Nelson and Liz Bewley as secretary and treasurer respectively, and the club officials – Stephen and Wendy Fryer, Brian McGurk, Karen Howes, Debbie Troman, John Bewley and Graeme Troman (again!)

The Committee, with Liz providing excellent guidance, has slowly built a solid financial position for the Club. We have in the past year managed to raise some additional funds to use for improving the heating system. The old boiler has been replaced (thanks to all the folk who assisted with this, particularly Graeme Troman), and we are close to making a final decision on installing solar heating to reduce our reliance on electrical heating. There are other minor improvements that have been made during the working bee at the start of the season, a new pool cover and the ongoing cost of maintaining the pool.

There has been some sadness and I specifically note the death of Paul Howes mother and recently Martin Collins. Looking forward to 2008/09 we are looking at some joint work with the Nelson Club that will lead to some sharing of resources and costs. We will be circulating a statement about the work to date in the next few days. I need to be clear that we are not talking about amalgamation, just some sensible ways that we can work together for the benefit of both Clubs. For us at Nelson South it is important that we plan for the future, and we need to identify people who can learn about the significant Committee roles – we need a succession plan. I urge the parents of some of our younger swimmers to consider being a future Treasurer, Secretary, Recorder or President.

President's Report 2007/2008

I would like to begin my report by thanking everyone on the committee for the many hours of hard work they have put in this season to ensure everything has run smoothly.

I have several people who deserve a special mention, Heidrun Berl, who took on the role of secretary this year and Maria Bennich, who part way through the year became the clubs unofficial funding and publicity officer.

Again this year we have been fortunate to have the assistance of some fantastic coaches, Maree Satherley, with her large group of enthusiastic senior swimmers and Ann Blackbeard and Casey Saunders who worked with our junior squad. Diane and Casey Saunders, who trained our growing intermediate squad. Casey also helped Johanna out with our junior competitive squad. She deserves an extra special mention for all the hours that she has devoted to the club this season. All of these people volunteer their time to the club, to work with our kids and I think they deserve a round of applause.

Something special happened this year with our competitive squad. Johanna Gessler took on the job of competitive coach and exceeded everyone's expectations, producing one of the most successful squads the Motueka Swim Club has seen.

Her foresight saw the introduction of the junior competitive squad which built up team numbers at regional meets. They were a very successful unit on their own as well as the seniors, who excelled beyond expectations this season.

I would like to take the opportunity on behalf of the club and as a parent of swimmers in the squad to thank her very much for all the hard work and effort she has put into the club this year.

I would also like to thank Michelle Cooper of Waimea Swim Club for organizing winter training last year and Tim Loach for his technical advice to the swimmers and of course, Brett Currie for helping out with the swim camp and refereeing our carnival and club champs.

We, as a club have been very lucky again this year with the sponsorship and continuing support of local businesses, Whitwells Menswear, Coppins, Fresh Choice, New World and Lonestar Farms. Our major sponsors this year, Lion Foundation and Scottwood Trust, thank you for the ongoing funding we receive.

SWIMMING NELSON MARLBOROUGH INCORPORATED

We now arrive at the main reason for being here today, our fabulous swimmers. Congratulations to all of you for everything you have achieved this year. Club Champs was great again this year, it is always good to see our younger swimmers enjoying themselves alongside the seniors. We had 11 records broken including the 2 mens relays. The

highlight for me would have been the Masters races this year, it was great seeing the parents getting out there and showing the kids what they can do. Well done to everyone who swam on the day.

We had so many swimmers go away to compete this year: a team of 8 went to the Canterbury A Champs and 1 to the Canterbury B Champs in Christchurch. 1 qualified and went to New Zealand Juniors in Dunedin, 5 went to South Island Country and Town Champs in Oamaru. A mighty team of 7 went to Wellington for Division 2 Nationals and Faye went to National Age Groups in Christchurch and then onto Auckland to the Olympic Trials which is a first for the club. You all did so well and the club is very proud of you.

A team of 20 went to the Nelson/Marlborough Country and Town Champs. They all swam well and won 52 medals between them and won the Crest Trophy for top points for a country club.

A team of 14 went to Nayland and competed at the Nelson Marlborough Age Group Champs. All 14 were finalists with 50 medals, 19 titles won. It was great to see the team spirit all weekend.

Once again, thank you all for coming today, we have a busy year coming up with our 50th Jubilee and our region hosting the South Island Country and Town Champs so hope to see you all back again in October.

NELSON SWIMMING CLUB

PRESIDENT'S REPORT.

The swimmers, coach, parents and committee members of the Nelson Swimming club can all feel very proud and satisfied that we have had a hard working and very successful season in all areas of the club.

Numbers of swimmers registered with the club has now more than trebled with squad numbers looking very promising for the 2008 season.

Our Coach Dan has ably managed these squads throughout the season, with Junior, Intermediate and Senior squads training at all 3 pool venues again this year.

It has been exciting to see our new parents taking part and assisting with the many tasks and efforts required to keep our club running smoothly and efficiently. Your willingness to assist is truly appreciated and the committee extend their gratitude to you all and look forward to your continued support in any area of the running of the club.

Our committee continued to meet regularly with Katy Steele keeping our books and finances in great shape again, we will miss her expertise and happy face around the club, meets and NM meetings where she has worked hard as their fund raiser for our NM Region.

Gill Thornton continued her enthusiastic efforts as secretary and our club NM representative. She handed over her duties as club recorder to the capable Corbett Combo of Louise and Wayne who quickly picked up the threads and are doing a very thorough job in this important area for the swimmers of our club.

Elizabeth McMaster has kindly offered to take over the Uniform responsibility so watch out for displays and sales of uniform pieces at club nights throughout the season.

Karen Borrell has continued to fill out endless forms seeking funding for swimmers at Meets, Championships and National events out of the Nelson Region. Karen is like our Fairy Godmother bringing good news and very welcomed finances to assist with accommodation and travel.

She has also managed to get us bookings at Mitre 10 for sausage sizzles which are great fundraisers for the club funds. Her success in obtaining funds for new Swiss Balls for Land Training has been a big bonus for Nelson club swimmers.

Paul Thornton has been vigilant in keeping up his liaison duties with CLM, Coach and Parents so lookout for him poolside if you need to chat or find out more about the club.

An informal discussion group of Paul, Dan, Louise and Hamish are in discussion with Nelson South Club to come up with ideas where the two clubs can cooperate together for the betterment of both clubs.... suggestions such as shared training times in winter & running meets together are two of the ideas so far being investigated and trialled.

Special thanks must go to Tony Mc Master and Mr Price for their brilliant efforts of chef and sous chefwe have all enjoyed the delicious barbecues and picnic foods prepared for our fund raisers and prize giving ceremony.

SWIM MEETS, CHAMPIONSHIPS & NATIONALS

Our competitive swimmers attended many meets at Local, Provincial and National levels this 2007-2008 season. Throughout the winters swimmers again competed at several meets in Christchurch which is a very positive way of keeping up the PB's and keeping in touch with other swimmers in the same age group from throughout the South island.

Summer training lead us to Canterbury A Champs at QE11, NM Age Group Champs, SI C&T Champs & 4 senior swimmers representing Nelson Club at Division 1 of Nationals held in Wellington mid March... Jack Armstrong, Alana Brown, Tim Corbett and Joe Thornton did us proud with Alana gaining 3rd placing in 100 Breast & 50 Breast and 4th placing in the 200 Breast and 100 IM finals, Tim a creditable 1st in 100 breast, 2nd 50 breast & 3rd 200 breast & Jack swam great finals in the Back stroke and free style. Some very good PB's were achieved by our Nelson swimmers at this National Event. Dan will be well pleased with their efforts and performances. Congratulations to those swimmers who made National Events, keep up your fabulous efforts in the upcoming season to qualify for further National Events and encourage your club members to put in the extra training and effort to qualify also.

Our younger swimmers who attended S I C&T champs in Oamaru had a very successful weekend with tremendous results and many very good PB's gained here also.

All Swimmers who competed in the NM Age Groups at Nayland Pool early February experienced a competitive and fun atmosphere especially during the club, inter regional and Adam & Eve relays.

However for our younger club swimmers our club Fab 50's & Top 200 held at Nayland Pool in December is a highlight and often their first chance to race in a 50m pool. Thank you again for our sponsors who donated toward spot prizes for this event, our happy barbecue cooks who kept us all warm with delicious food and of course the many parents who helped with official tasks and feeding duties. Well done everyone!

NM Winter Meet held in Blenheim attracted swimmers of all ages from our club competing in many different events. A team of swimmers and parents enjoyed this weekend and the fun of experiencing accommodation at Bings.

This year our national swimmers have had the opportunity to train in a regional squad of national swimmers on Saturday mornings under the instruction & guidance of coaches from the Nelson, Nelson South & Motueka Clubs & Waimea.

For new club members, our club nights held at both ASB & Riverside Pools are a fun way introducing swimmers and families to racing and time keeping. This is a perfect way of teaching these official skills to parents who are novices wishing to help out with these pool duties.

WEBSITE

Our Nelson Swim Club Website is up and running and provides useful information to both new and current club members and families. We are considering revamping the Club booklet idea ...this will list upcoming events for the 2008-2009 season and contain other useful information that can be easily accessed for parents to check out. Thanks very much Tony for your efforts in keeping our website up to date.

CLUB PRIZE GIVING & PICNIC

A very pleasant club prize giving ceremony and picnic lunch was held at Rabbit Island after the competitive season ended. Most swimmers and parents attended making this a family atmosphere ably catered for by the McMaster family. The effort of getting all the trophies out of the closet, polishing them up and awarding them to the delighted swimmers was well worth the effort. This needs to be annual event and with club numbers greatly increased it will be possible to hold club champs again.

SEA SWIMS.

The sea swims in the Nelson Harbour became a popular event for our swimmers on Thursday nights throughout the summer months.

Our swimmers did very well in both the longer and short races being recognised by hardened local sea swimmers as tough competitors who could do it without the aid of wetsuits.

Well done all swimmers who participated in these races. It was great to see you giving the locals a run for their money in this competition. I am sure we will see many of you compete again in these races this coming summer.

In conclusion I know the Nelson Swimming club has a bright and strong future. We have a dedicated coach, enthusiastic committee and a growing number of keen young swimmers who are in a happy and nurturing club.

SWIMMING NELSON MARLBOROUGH INCORPORATED

It has been wonderful to watch Tim & Alana two of our senior squad swimmers who have gained their SNZ coaching certificates, giving something back to swimming in Nelson as they coach 5-12yr olds to swim at ASB pool 2 days a week...

As our older swimmers move on to further their studies and careers, it is exciting to see many eager swimmers developing through the Junior & Intermediate squads to take their place.

Again, I am confident we can look forward to a successful and rewarding 2008-2009 season.

To the incoming committee, best wishes for a happy and wonderful swimming season, work hard at training swimmers it really does make a difference later and thank you Dan for your dedication last season, I know we see some great swimming and fabulous results from our swimmers this coming season. I have many happy and lasting memories from my 12 years spent with the Nelson Swimming Club.

Blenheim Swimming Club 2007/2008 President's Report

The 2007/2008 Blenheim Swimming Club has had a very successful season. We now have forty-three swimmers and it is great to see the new faces along with parents who we hope will become more involved as the club is a family club.

Financially the Club is in good shape ready for another season. We purchased a new laptop, printer and Meet Manager program all improving our efficiency.

A big thank you to all the Coaches, Committee and timekeepers for their dedication to the swimmers. And of course – the parents, these are all the backbone of the Club and without them we could not operate.

Congratulations to the swimmers for all your efforts of last season. You all achieved and we had many highlights. Some examples being:

Nelson/Marlborough Summer Champs

YMCA Challenge Cup

Aquagym Overall Cup

Swimmers' achievements at the Junior and National Age Group Meets and some even qualifying for Olympic Trials.

WELL DONE.

I am excited by the talent we have and am looking forward to all your achievements this coming season.

Taking over the President's roll and coaching has been a huge but exceptional year for me. I have had to do a huge amount of learning in both areas. I have enjoyed helping and watching the swimmers race and their improvements and achievements have been absolutely brilliant and so gratifying. I am also proud of the dedication the swimmers have shown over the past season and look forward to the next.

Finally, as I am involved in many aspects of the Club I appreciate that some things are not perfect. Please feel free to approach me or the Committee about any concerns or problems so they may be rectified and we can improve things.

We look forward to the improvements to Stadium 2000 pool complex over the next two years.

All the best for a very successful upcoming season.

Thank you,

Ian Kerry

Presidents Report

The season started with the departure of our past president, Sue Gibson, and myself, Christina Penman, taking on this position. Treasurer and Secretary remained the same with a few extras joining the committee. Some arm twisting had to be done at the start of the season to get new and existing members to take on coaching positions (and what great coaches they have been!!)

We ran six swimming groups this season with approximately eight children per group. Luckily, we had parents who helped out when coaches couldn't make club days and they jumped in to assist coaches at some of the sessions.

The season break up ended with a fun afternoon at the pool with goodies for all concerned which were donated by local businesses.
