President/Chairpersons Report 2008/2009

Firstly there are a few people I would like to thank. They have kept this organisation going this year!!

On your behalf, I would like to say a big thank you to Johanna Gessler, the retiring Regional Recorder/Registrar, who has worked hard in this position for a number of years. This role has entailed hours of work and this has been very much appreciated!

My thanks also go to Brent Cheyne for his work as Treasurer and Vice Chairman. Brent has assisted me this year whilst I have been out of town and when I was unable to attend meetings. The rest of the Board thank you for your commitment to the sport.

Margaret Young; thank you for your support to the Board, myself, and for your knowledge and assistance on sub-committees.

Also, a big thank you to Kay Cheyne for stepping into the Secretary's position and doing this job so well.

I would also like to acknowledge the hard work put in by Lisa Brown and her committee in running a very successful South Island Country and Town Meeting. We had a lot of positive feedback on this event.

Now to our swimmers. I cannot remember seeing so many best times in one season before!!

Congratulations to all of our swimmers who attended National Meets and on your great results!

Thank you to all those who sat for Officials positions. Well done and keep it up. We do look forward to you putting your hands up and moving into these positions. I look forward to seeing some of you as Referees and going on to National positions.

Now. This is the hardest part of my report this year. I would like to address you, **THE CLUBS!! A Memorandum was sent out to you (for distribution to your members) detailing the Board's role and stressing the need for more members to carry out these tasks and complete its objectives. No further nominations were received for the Board after this Memo was sent out!!** The Board is made up of a few individuals who give up their time to make this sport successful in our region. With the few members we had at the end of this past season who were giving all the spare time they could offer, there were many tasks that simply could not be completed. We all have busy lives and the spreading of this load with an adequate Board would allow a greater level of achievement for our swimmers and ensure the ongoing existence of swimming in this region. A number of the existing members on the Board are looking to retire in the near future. Now is the time to bring in "new blood" to learn the various roles. If this is not done, then swimming here is in jeopardy and Swimming New Zealand may have to take over which would mean that our region would go into recession. All of our funds would be handed over to the parent body – Swimming New Zealand.

I would like to think that this would not be the case, but if people do not come forward and volunteer, THEN IT WILL COME TO THIS!

**S.C. FRYER
PRESIDENT/CHAIRMAN

CLUB REPORTS

Nelson South Swim Club

President's Report 2008/09

The Nelson South Club has faced some challenges this past season with some successes and work remaining in some areas. First to the positive:

- Winners again of the Buchanan Cup and Laurie Crabb Relay Cup at the Nelson Marlborough Age Group Championships. These cups reflect strength in depth at a club and Nelson South has been the winner for several years now.
- Jasmine Bewley swimming in an A final at the NZ Open Swimming Championships, and Ellie Rukawai not only making a final at the NZ Junior Championships, but also coming home with a bronze medal.
- Literally hundreds of personal best times swum by swimmers during the season.
- Several club swimming records broken during the season.
- Installation of a solar system for heating the big pool at Hampden St. Our thanks to the New Zealand Community Trust and Canterbury Community Trust for significant grants to help us with this.
- A stable financial position in what are difficult economic times.
- Securing a head coach (though final details are still to be confirmed, we are delighted to have Tim Loach on board and he has been working with the swimmers since the beginning of May).
- A successful relationship with the new Learn to Swim operator, Melissa Keen. Melissa continues to trade as Pattison Swimming, and we have established a good working relationship. This is documented through a sub-license agreement that clarifies the responsibility of the LTS Operator, the swimming club and the school.
- Evidence that the club is in good heart, demonstrated by the great turn-out for the start of summer working bee at Hampden Street, the support for swimmers at events, and the fun at the end of season prize-giving.

Reflecting on the areas that need work:

- We continue to be without access to the clubrooms as the installation of new changing sheds at the Eastern end of the pool left us with no stairs. The final plans approved by the Nelson City Council did not show stairs after the sheds had been completed, meaning we have to submit new plans and apply for a new consent to have the stairs reinstated. We are working with the school on this issue, as the plans we saw still had the stairs and therefore we were unaware that new consent etc could be needed.
- The cost of winter swimming in particular, and swimming in general, is becoming an issue and we are exploring ways of increasing our income to reduce the cost to swimmers and families. In the past we have only applied for financial support (grants etc.) for specific projects, but we are now of the view that we should seek grants on an annual basis to cover running costs.
- Succession planning for the administrative tasks at the club. I feel I go on about this quite a lot, but it is important so that we don't have a situation where the incumbent stands down and the person who (often reluctantly) takes up the post has limited knowledge when starting. I would love to see a situation where every position (President, Secretary, Treasurer, Club Captain and Recorder) has a deputy who is expecting to take up the role at some point in the future.

I acknowledge the work of the 2008/09 Committee and office bearers, and thank them for their efforts. The club has been fortunate to have a stable leadership group for three years now, but people are indicating this will be their final year in administrative roles, highlighting the need to plan for replacements. We had a change in Recorder during the season with Graeme Troman standing down after several years as Recorder, and Deborah Page agreeing to take on this role for the rest of the season. My thanks to Graeme and Deborah on behalf of the club and swimmers.

Finally, thanks to Jos Pattison for his continuing support of the club. Despite retiring from his active pool-side roles, Jos continues to support the club in many unseen ways, and will be a member of the 09/10 committee. We are of course proud to have a Nelsonian of the Year involved with the club.

NELSON SWIMMING CLUB

President's Report 2008/2009

The 2008/09 season has been a successful one for the swimming club, both in the pool in terms of swimmers results, and also in terms of building up club numbers and on-going stability.

SWIMMING (POOL)

Of particular note has been the performance of Ryan Cheyne who has been the outstanding senior club swimmer for the season. He has recorded nationally competitive times for Freestyle at all distances from 50 through to 400m. Of the younger swimmers William Borrell performed brilliantly at the Junior Nationals with his performances in the butterfly. In the girls, Zoe Borrell has continued to swim well despite having some health setbacks early in the season and Madison Stanley did very well in the Interschool competition breaking some longstanding records. We also have some great young talent coming up through Caitlin Abbott, Luke Kelly, Amy Coulton and Fraser and Eddie Neill.

SWIMMING (SEA)

The club supported the competition this season with a big turn out at each race. We dominated the short distance events and made a real impression on the front of both long and short distance races. Tim Corbett and Austen Dean were often up with the leaders and the second part of the season saw some amazing performances from Fraser Neill showing that he is going to be a real force to be reckoned with in the future.

We would all like to say a big goodbye and good luck to Jack Armstrong who went to University earlier this year after 10 years with the club, having joined when he was eight.

CLUB STRUCTURE

The last 12 months has seen a concerted effort to get the club onto a stable and secure basis for the future. This has largely been achieved through the efforts of individual committee members.

The club has turned around a small deficit in its yearly accounts to a strong financial position through attention to detail in collecting fees and accounting. The club has also raised its profile locally through fundraising at local swim competitions and sea swims. I would like to give a particular thanks to Tony McMaster who did the club proud with his mobile barbeque and chef skills.

Later in the season the club took possession of a new computer along with software to run events. I would like to thank Wayne and Louise Corbett for the hard work they have put in with the recorder's job; a high pressure job that provides the backbone of the club.

I would also like to thank the other members of the committee, Richard and Karen Borrell for getting the finances sorted out, Liz McMaster for her Secretarial skills and Graham Price for his constant support.

I would also like to thank our coach, Dan for his unfailing enthusiasm and energy in creating a vibrant and happy club. His is the face of the club that the swimmers see and he is a great asset.

In the next year we will be developing our relationship with ASB Aquatic Centre as our coaching and pool facility providers. We are in the process of negotiating an arrangement which gives us the ability to grow and expand from a solid base. Our numbers have grown steadily over the last year in some degree from the efforts of the ASB staff and this relationship is now on a more formal basis with mutual benefits.

Blenheim Swimming Club

President's Report 2008/2009

Another great year for swimmers in the Blenheim Swimming Club. It was terrific to see new swimmers and parents coming into the club.

A big thank- you to all coaches and the committee who put time and effort into the swimmers and the club.

Many thanks to parents for all their support and help throughout the season (keep it up).

The season was exciting as all swimmers performed well. More particularly at the away meets, including NZ Junior, Div 1 & 2, and the Opens.

I am excited to see the potential in the swimmers for the upcoming season and look forward to the challenges.

All the best.

President's Report 2008/2009

What a season we had this year, with 7 groups with around 6 pupils in each group. We had enough coaches put their hands up this year without having to do much arm twisting. Two coaches were retired women, and sadly one pulled out halfway through the season, but we found another coach to step in with the promise of chocolate!!

Our lessons and times were all over the show with most of the coaches working fulltime, but parents were very supportive and worked with us to get kids to lessons on time, on the right day.

We had 4 of our pupils get selected for inter-school swimming sports where they all performed really well, getting 1st, 2nds and 3rds.

We are all sad to announce that Paula Pointon has now stood down from coaching after about 12 years at our club. She has been a bundle of knowledge and just kept the club going. Luckily she reassures us she's only a phone call away and I'm sure we'll be ringing her frequently!!

The season ended in early March when we handed out awards, medals and trophies to the kids (including Easter eggs and drinks) and the coaches all got chocolate. Treats were kindly donated by local businesses. After Prizegiving, a few brave kids jumped in the pool for a free swim.

President's Report 2008/009

It's been an awesome year with many competitions leading up to the highlight and completion of the 2008-2009 swimming season, our Jubilee, and Club Championships. It was great to see a good participation by past and present swim club members competing over the two day meet.

Thank you to all parents who put in an effort to time keep, not only at the club champs., but also at the ribbon carnival and at club nights. Your input into these tasks makes the club successful. Thank you for your support for the club and thank you for supporting your children.

Thank you to the team of committee members who supported me for the part I have played as President in the latter part of the season taking over from Lisa Brown. Thanks team, you've been an awesome group to work with and I've appreciated everything you've done to make my job easier.

We look forward to another great year next year.

President's Report 2008/2009

Another swimming season has come to an end, and I would like to thank all of the club's members for making it an exciting and enjoyable season.

Thank you to the committee for all the hard work that they have put in and a very big thank you to our swimming coaches, Steve, Jasmine, Sarah and Anna, without them there would have been no swimming lessons, or helpful instructions for our fitness swimmers.

The Mouse House had a bit of a fix up during the off season, and we still have to get a new lock for the door and have the bars put on the windows which will hopefully be done before the next season.

Our swimming carnival was a fantastic success even though we had to change the day due to the weather, hopefully next year the weather will be on our side. Thanks to all the parents and swimmers that made it a successful and enjoyable evening.

KAIKOURA AMATEUR SWIMMING CLUB

Presidents Report 2008/09 Season

Numbers for the Year:

Coaches: 9 (Karen Stephan, Mike, Leah, Rebecca, Marlene, Jo, Kath and Carrie)

Swimmers: 93 plus the enrolments in the two week Learn to Swim Programme

Administrators: 2 (Linda, Judy)

This year we had a total of 9 coaches. Two new coaches - Carrie Bittle and Kath Pacy - both taking groups in the Kaikoura Primary School Pool along with Karen and Leah Te Moananui. In the Lions Pool we had Rebecca Mullaly, Mike Judd, Stephan, Marlene, Jo Willett and Karen.

I believe that we will not be able to cater for many more children than what we had this year unless we gain the assistance of more coaching staff. An advertisement should be placed in the local newspaper and school newsletters in August or September to try and gain some interest from the community.

It would be of great assistance if we could use the swimming pool earlier in the day and have some lanes blocked off for our use. I believe this could be achieved easily as the pool does not have huge numbers of patrons and this in fact could increase numbers at the pool as parents would take other family members swimming while older children are training.

The relationship with the Pool Manager, Mr Peter Wallace, was strained at best, with the club not receiving any assistance from Mr Wallace in our endeavours to train children earlier or at different times. His insistence with only dealing with the President and not any of the other coaching staff was difficult and unnecessary. At times, his attitude toward coaching staff was very rude and aggressive. I did suggest that Mr Wallace could increase numbers at the pool by having an evening session as many families would take advantage of this, but his reply was that he could not be bothered and was not interested in doing anything outside of 10a.m. to 5p.m. Next season, I would suggest on meeting with the pool manager and setting out what we need in the way of pool time to function well. Other community pools run public swimming and coaching classes at the same time and there is no reason why it cannot be done in Kaikoura.

We had seven groups at the Primary School pool. This is an increase of three groups on last year. At the Lions Pool, we had four groups. Stephan encountered difficulty running his group on alternate days to the other coaches and I would suggest that all the Lions Pool groups do their training on the same night. Rebecca took her senior group 4-5 nights a week. Marlene and Jo had the two week Learn to Swim Programme at the Primary Pool and this again received great support from families in the community.

No carnivals were held during the season but this can be avoided next season if there is someone willing to take on the organisation of them, or if there are more coaches to help with the workload. Rebecca took some of her senior group to Blenheim for a ribbon carnival. The experience was good and it might be possible for other children to attend these sessions in Blenheim next year.

In last year's report it was noted that the Kaikoura District Council said that it was their wish to have an indoor pool in Kaikoura within the next two years (2010). This looks unlikely now with the Council wanting to set up a trust to manage the new pool facility. It doesn't look like anything will happen until 2014!

There has been a lot of discussion about keeping the selling of raffle tickets going at Robbies Bar. There is a lack of willing helpers to do this job and with Judy and Brian Allison leaving town, we will lose their support. It is likely that if we stop selling the tickets, we will not get this opportunity back again, so unless we can drum up some support from members, we will not be able to keep this going.

I am resigning as President and Coach as I have not been able to do the position justice. I would like to thank Judy and Linda for their continued efforts behind the scenes and thank all the coaches who gave up their free time to help teach the youngsters in our community the valuable lesson of how to swim. I wish the new President and the club all the best for next season.

President
