Swimming Nelson Marlborough Inc

## President's Report 2009/2010

**Swim Nelson Marlborough AGM 2009** certainly took me by surprise when I was nominated for the position of President for the 2009/10 Swimming Season. Back in 2000 at a Swimming Nelson Marlborough Annual Meeting when I was presented with Life Membership, I was told that all Life Members had been Presidents. Well, I broke that chain and was a Life Member first, then President.

**As President** my intentions were to circulate a newsletter through the season to members, but unfortunately this never got off the ground. I did ask clubs to send in information on their clubs, swimmers and activities, or even 'funnies', but nothing was forthcoming.

**Annual Swimming Championships held at the ASB Pool - Officials** - a little disappointing to see that timekeepers had to be called before each session could start. This has always been an ongoing issue to get sufficient officials. It would be great to see parents offer their services to fulfil the roles of timekeepers, starters, I.O.T., referee prior to any meet. This way an up-to-date list of available officials can be drawn up so that all clubs share the workload evenly in running these swimming meets. **Thank you to those volunteers who constantly give their time during our meets.**

**Thanks must go to Rachel Ridley** who stepped in at the last minute and did the Recording at the Swimming Champs.

**Parents and swimmers need to be aware** that at any swim meet, all queries regarding swimming races must all go through their Team Manager. The Team Manager is the only person who then makes contact with the Meet Director or Recorder or any Officials.

**The required dress for Officials** is dark navy or white shorts and white Tee shirts. By having officials dressed in their correct attire, swimmers then know who these people are and it also helps to lift the atmosphere of the meet.

**Cups & Trophies** - a little bit disappointing to see how some of the swimmers treat these cups and trophies. Some of these are very old and I would like to ask that swimmers take better care of them.

**Relays at SNM Championships** - there was a lot of confusion over the order of some of the Relays due to the correct Rulings not being put into the programme Flyer. This needs to be addressed for next year's championships and clearly set out in the meet conditions. Also, clubs need to be aware of which cups and trophies their clubs/swimmers can compete for, as a lot of our swimmers are not aware of this. It is always fantastic how the swimmers race with pride

## SWIMMING NELSON MARLBOROUGH INCORPORATED

to win trophies. Also, it is a highlight for both parents and swimmers alike to watch these relays.

**Sea Swims** - it is good to read about swimmers taking part in this series over the summer months - keep up the good work swimmers for next season.

**Lake Rotoiti Swim 23<sup>rd</sup> April 2010.** A highlight for me was when my granddaughter, Louise Howes, decided to follow in her mother Kareen's footsteps and swim Lake Rotoiti. Thanks must go to the two swimmers who swam with Louise to give her support when she needed encouragement - her brother Patrick, and Alice Trengrove.

**Coach Tim Loach** - who was also of great encouragement to her and was confident that she would do it, even though Tim couldn't be there to see her finish.

**A big thanks** to Peter and Brenton Laing, and the Rukuwai and Trengrove families for their support on the day. It was great to have **Jos and Margaret Pattison** there for support on the day.

**Paul and Kareen** who kayaked beside their daughter giving her the support and encouragement.

Without the help and assistance of these people, Louise's goals could not have been achieved.  
**Thank you.**

**On closing my report**, I would like to thank the following people who have put a lot of time into the running of the Board/Region for 2009/2010.

**Chairman Steve.** I thank Steve for his continuous involvement and support of our swimmers. This is a huge ask for someone who has not had a swimmer involved for a long time.

**Treasurer Brent** who has kept track of the money and has also assisted in many other areas when and where required.

**Secretary Kay** who has worked behind the scenes. I know the amount of work that is required of a secretary. The work you do is greatly appreciated.

**Mention must be made** of Ian Kerry for travelling over '**that hill**' to attend the Board meetings to represent Blenheim Club. Thank you for your attendance.

**To Board Members** who have also been in attendance, thank you for your input.

**Heading into the new 2010/2011 Season** - more Board members are required so that the workload can be shared more evenly and not left to just a few, as this has been the case these past few seasons.

**Margaret Young**  
**President**

## SWIMMING NELSON MARLBOROUGH INCORPORATED

### CHAIRPERSON'S REPORT 2009/2010

I can report that the Board has had a busy year, including the running of our Age Group Championships and the hosting of three meetings involving Swimming New Zealand.

These meetings included the Project Vanguard Meeting which had about 24 people in attendance. It was good to see Mike Byrne present as he was in Nelson on private business.

This meeting did get heated, but Martin, the facilitator, was able to keep order with some very good discussion ensuing. Martin congratulated the region on the good comments and assistance with this.

The outcome from this meeting for our region is somewhat unclear, but we look forward to future progress on Project Vanguard.

The second meeting was the Junior Open Forum and Pathway with Trevor Nicoll and Arjun Haszard. My thanks to Kirsty Rukuwai for her work arranging this meeting, as well as the camp which followed the next day. From my observations, this camp was successful and the swimmers have learned a great deal which I have noticed in the pool.

The final meeting was with Jan Cameron who gave a presentation on the structure of Swimming New Zealand with regard to High Performance. This meeting was very informative and Jan gave some good instruction to swimmers and their coaches at Hampden Street Pool the following day.

To your Board, Secretary, Treasurer and Recorder, thank you for your input this year. This has been much appreciated.

I am pleased to see we have nine nominations to the Board for the coming term which will help achieve a great deal more - MANY HANDS MAKE LIGHT WORK. We are looking to structure the Board in such a way that the Board and Clubs will work closer together to achieve results for our swimmers.

Stephen Fryer  
Chairperson  
June 2010-07-07

**CLUB REPORTS**

**2009 - 2010**

**SEASON**

**SWIMMING NELSON MARLBOROUGH INCORPORATED**  
**CLUB REPORTS**

**Nelson South Swim Club**  
**Presidents Report 2009/2010**

It is my pleasure to present my report to the Annual General Meeting of the Nelson South Swimming Club. I look back on the past year with satisfaction, but also with awareness of work that needs to be done.

The major change in the club in the past year was the decision to retain Tim Loach as our Head Coach. Tim contracts to the club in a self-employed capacity, and this meant that coaching fees are now collected from swimmers (well, their parents really!) directly, and Tim invoices the club monthly. This arrangement seems to be working well, and the financial report shows that the amount charged for coaching is very close to the amount paid for coaching, so we think we have this about right.

When Tim came on board, he explained his methods and was clear that his focus was on outcomes. The annual Nelson Marlborough Age Group Championships were a huge success for the club, winning all but 1 of the club trophies available. In addition 6 swimmers qualified for National Juniors, 10 for Division 2 Nationals and 1 for National Age Groups. A swimmer who had transferred to Christchurch qualified for the National Open Championships, which doubled as a Commonwealth Games trial, and Tim can take some credit for this also. So all in all, we can look back at a hugely successful year for our swimmers, and I take this opportunity to very publicly thank Tim for his efforts. Of course, no man is an island, and the people who have assisted Tim during the past year must also be acknowledged - Nigel Rukuwai, Kareen Howes and Cassandra Troman were all part of a coaching team that worked efficiently and effectively. Also in the background is Liz Coke with the work she is doing around physiology, and more recently Louise Howes has started coaching the junior swimmers. My thanks to all these people.

Across the board Nelson South swimmers have had significant improvements over the past year, with many club records, some as old as 35 years, being broken. A huge number of PB's have been recorded.

The Committee is made up of a group of very motivated and knowledgeable people who work very hard behind the scenes. I especially note Lorna Eden who has been our Recorder for the past year, and whose inquisitive mind has uncovered many functions of the recording software that were previously a mystery. Lorna has a real feel for what information swimmers need, and uses the software package to produce valuable data at the individual and collective level. Thanks for your efforts Lorna.

The Executive is made up of the President, Secretary, Treasurer and Club Captain. Over the past year the Executive has considered many issues, possibilities and risks, and these have been robustly debated and explored. Lindie, Liz and Kareen – you have been great to work with and I know the club wouldn't be where it is today without your contributions. Thanks for all your efforts.

The website is great, thanks to Jim Sinner and others who have contributed to the development of this. It is a necessary part of these modern times to have an on-line presence, and the website will give us accessibility and an ability to communicate that will enhance the club's status.

The relationship with Pattison Swimming continues to be positive, and Tim is working with Melissa to ensure there is a coherent pathway for swimmers who are keen to continue swimming when they are finished Learn to Swim to join the club. We work well with Melissa on issues to do with the plant, and we are working with the school on some replacement parts needed before the pool opens again this year. There will also be further work on the solar system to improve efficiency

**Areas where work is needed.**

We have had a challenging year financially, with the number of season tickets sold significantly down though we did have a slight increase in membership. Excluding the income from coaching fees, the club's income was down on previous years and the final result is not as good as we had budgeted. We are not looking to increase the costs to members as a result of this - we are looking at other ways we can increase revenue to meet our expenditure.

While progress is being made on having stairs reinstated to the clubrooms, this is not without ongoing challenges. Marc Barron is coordinating getting building consent to replace the stairs, and the current issue is how to meet the fire safety standards at least cost. None of us wants anyone to die in a fire, and we need to ensure that use of the clubrooms will be safe, but all options that Marc has presented have an associated cost. We will work through the options and arrive at a solution that is affordable and meets council requirements.

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

Cost continues to be a major issue, with access to Riverside Pool and the Aquatic Centre for winter training being a huge expense. We are fortunate to have received a grant from the New Zealand Community Trust (a huge thanks to them) that allows us to reduce the cost to swimmers. However this is an ongoing problem, and we are looking at ways for swimming to take a united approach to dealing with this.

Further to this, we are working towards greater cooperation between the swimming clubs in Nelson to reduce duplication, make better use of our combined skills and resources, and create an environment that best supports competitive swimmers. Work on this is still very much in early stages, but you will be kept up to date with developments through the website.

I bleat on a lot about the need to develop people for the significant administrative roles within the club, and this continues to be a problem. I encourage people to step forward and become an assistant, with the expectation of passing on Executive roles to new people over the next couple of years. The worst case scenario will see all the Executive standing down at the same time, with new people having a tough learning curve.

To finish on a bright note, our club prize-giving and club championships were great events and demonstrate that the club has good support and is a positive environment. Long may this continue.

**Martin Anderson**  
**President**  
24 May 2010

### **BLenheim SWIMMING CLUB Presidents Report 2009/2010**

We kicked the Club's swim programme for 2009/10 off with a "Have a Go Night" which was an ice breaker for returning swimmers and also a chance for new swimmers to come and meet us. In all we ran ten meets between June and March including the Swimming Nelson Marlborough Winter Meet over three sessions. The Blenheim Swimming Club had a fantastic showing at this meet and it was great to see how well our very new swimmers did, the level of enjoyment and the positive atmosphere. A highlight for the Club this year was at the Swimming Nelson Marlborough Age Group Champs in February where we won two relays. The first was the JG Bacon Cup which is contested between the Marlborough region and the Nelson region and the second was the Workers' Co-op Shield for Men's 4.x50 metre freestyle relay. This is the fifth year in a row that BSC has won this shield. In all our swimmers competed in 18 away meets with an impressive number of personal bests and awards received.

The ability to organise a programme like this and to attend so many away meets depends on parent involvement. I want to take this opportunity to thank all those parents that have become involved by coming to meets, time keeping, officiating and or putting themselves forward for administrative roles. A difficulty that many children's sports clubs face is that only a few parents do become involved and as a result the same people have been left filling the committee and officials positions each season. Some of these people will be leaving the club over the next year or so as their children leave school for work, university etc. This means that it is important that we get parents of younger swimmers involved in the running of the club now before we lose this expertise. This year we would like as many parents as possible to become involved so that they understand what is involved in running the club. We need parents to be involved if the club is to survive and that the more people who volunteer the less each person has to do.

Over the last year we have taken a more focussed approach to fundraising in defining how much money we need to raise to fund specific projects. We were successful in obtaining funding from Redwood Trust as well as undertaking a number of activities to raise funds including staffing the Home and Garden Show held at the Stadium, a number of sausage sizzles held at Mitre 10 Mega, and a car boot sale. Some of this fundraising depended on the donation of prizes and goods and I would like to thank Subway for biscuits and soft drinks for the Hotdog Race, Meaters of Marlborough for sausages, and Havelock Four Square Supermarket. I would like to thank Blenheim Police Social Club, Construction Coatings Ltd, Sounds Connection, Wine Tours and Fishing Charters, Wadco Motors Ltd, Explore Marlborough, and Mayfair Pools for sponsorship during the year.

This year has been the start of a major change for the Club and for swimming in Blenheim with the redevelopment of the pool. Our first experience of the change was the demolition of the clubroom and outdoor pool. Over the next year we will face some periodic disruption to our meet schedule and to training as the facility is closed for work to occur. We may also face further fundraising efforts to equip the new pool however at this stage there is much uncertainty as to what will be required. Whatever the uncertainty, we will end up with a national class facility.

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

Overall it has been a great year for the Club and the coming year looks just as promising.

**Ian Kerry**  
**President**  
**29 May 2010**

### **MURCHISON AMATEUR SWIMMING CLUB** **Presidents Report 2009/2010**

Murchison had a very successful season this year with plenty of swimmers, coaches, achievements and fun had by all.

We have had a good year with old faces reappearing to coach and new ones helping out to get the feel of things so they can take on their own group next year. We had our head coach retire at the end of last season, but it saw one of our other coaches, Heather, step up and take on that role and she filled the shoes extremely well.

We had around 64 children enroll this season which filled the groups to overflowing, hopefully next year we will have more groups as I've already had people telling me they would like to coach.

The children have progressed well through the season with a selection qualifying for interschool swimming sports in Westport, which made all their hard work at training pay off, with the majority all getting placed in their races.

At the end of last year we were asked if we could supply a couple of people to do a pool course for the school, just in case the caretaker is away, so Kathryn and I were the lucky two and now we are certified to administer chemicals and maintain any pool.

At the end of the season we had a fun couple of hours with silly races in the pool and then a fundraising barbeque which went really well, and of course there was the prize-giving and Easter eggs for everyone.

So the season went really well and we are looking forward to the start of the next season as we have training booked in for our coaches before we start with the lessons. Next season we are looking at having lessons twice a week and shortening the end of the season as our pool is not heated and it just gets too cold for everyone. We think this will mean more swimming practise for the kids, but it will all happen when the water is comfortable to swim in.

Thanks.

**Christina Penman**  
**Murchison Amateur Swimming Club**  
**15 June 2010**

### **MOTUEKA SWIMMING CLUB** **Presidents Report 2009/2010**

This is my first Presidents report following appointment to the position earlier this season and I am happy to report that in my opinion the Club is in good shape from a membership and governance perspective.

Today I would like to initially cover a number of thanks for valuable contributions we have seen from various individuals in our club this season. I also want to take some time today to give you some insight in the club's strategic plan through to 2012, which has been developed this season by the executive.

Firstly some thanks.

**Ian Fenemor** retired from the position of Club President this season and whilst I had only known Ian for a short period of time personally, we are all aware of Ian's huge commitment and support to the club over many years and are extremely appreciative to him.

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

**Heidrun Berl** retired as club secretary early in the season and had done a wonderful job for the club in this capacity.

**Andy and Karen Price.** Following a recruitment process for a new coach early in the season, we couldn't believe our luck when we were fortunate to secure the services of Andy Price as our club coach. Andy has been like a gold medal for our swimmers - his vast experience in competitive swimming, his technical skills, and his fantastic way with children and people has undoubtedly been reflected in many of our swimmers' top performances this season. Andy and Karen also managed our highly successful swim school programme this year. We thank Andy and Karen for joining our club and supporting the development of our swimmers. We look forward to your continued involvement.

I would like to thank the senior swimmers, Isabella, Liam, and Salim, for junior programme coaching support and generally for your leadership poolside with younger swimmers.

Thanks to Nga Saunders, Dianne Saunders, and Rodney Trevurza for acting as officials at club meets, Johanna Gessler for her help with the time recording, Maree Satherley for support with the special Olympic swimmers, and all other parents who have contributed as timekeepers and in other swimming functions.

### **Members of the Committee.**

Charlie and Caroline Squance joined the club committee this year. Unfortunately they retired at the end of the season as their son Hayden is moving into competitive triathlons. Charlie undertook the role of club recorder; Caroline as Club Captain. Both put in a huge effort all season. Caroline was instrumental in the success of our club meets, and Charlie nipped out the computer, and ensured our swimmers' times were recorded. Both gave valuable contributions to our committee.

Helen Dwyer is our Club Treasurer. Helen has done an outstanding job this year. She has not only managed the day-to-day financial aspects of the club, but supported poolside activity in every way she possibly could, often filling the role of making sure our swimmers are in the right place at the right time. Helen has attracted and secured significant additional funding this year that has allowed us to support our coach and swimmers, allowed us to purchase valuable coaching aids to help with technique development, sent competitive swimmers to regional and national events, and enabled us to progress without the need to impact on the annual subscription and fees charged to swimmers.

We should all note that the costs the club charges to our swimmers at Motueka is subsidised and significantly less than any other competitive swimming club in our region. Without continued funding support, it will be unlikely we will be able to maintain such low swimming costs into the future.

Cherie Trevurza is tireless in her support to the club poolside and as part of our executive. Cherie is another one of our team that would put some time into supporting the club most days of the week. If you watch closely around the poolside, or at meets, and in our own meetings, Sherie is always organizing something, or helping somebody.

Tanya Roberts is our committee secretary and makes sure we are all organised. Tanya's attention to administrative detail is impeccable. Again a significant contributor to our club and committee ensuring protocols and processes are followed and actions are carried out.

Liz George is another great contributor to our committee. Liz has an incredibly busy life and still manages to make our meeting and support us wherever she can.

Leigh Gray was instrumental in organising the learn to swim and intermediate development programmes this season which have been a huge success. Leigh has also supported coach recruitment, advertising, website development and parent communications.

A big thank you to this executive team. These are the people who put in many hours of their personal time and without their effort the club would not survive.  
Thanks again.

A key development of note this season is the new Motueka covered swimming pool complex which is approved in the current Tasman District Council Strategic Plan. We can inform you that planning for this \$4-5 million dollar project which will result in the best competitive swimming pool in our region ( complete with a 25m 8 lane pool, touch pads for timing, a therapeutic pool, learners pool and toddlers pool) is underway. Maree Satherley, Lisa Brown and myself

are involved in the organising committee and it is likely the physical development of this complex will commence in the 2011 calendar year. This will be a huge asset for the town and the club.

## SWIMMING NELSON MARLBOROUGH INCORPORATED

Early in the season, the committee discussed the need to develop a sound strategic plan to provide some guidance for the club for the next three years. We went about this process initially by consulting with all club members about what was important to them. I am happy to report that some excellent progress has resulted from this initiative which will provide the foundation for club and committee activity.

The Motueka and Districts Swim Club Strategic Plan 2009-2012 is the culmination of the efforts of the Motueka and Districts Swim Club committee and Motueka and Districts Swim Club members to ensure both the ongoing viability of the club and to ensure that the club maintains a friendly atmosphere where members profit from the planning in ways such as social outings, proper training equipment and healthy competition.

This Strategic Plan aims at consolidating and increasing the current membership, developing further opportunities in the field of swimming by inter-club competitions, training for club officials, subsidised events and social outings. Our agreed vision statement is as follows:-

Our aim is to promote the sport of swimming among people in the town of Motueka and surrounding areas, and encourage them to achieve their personal best in a healthy, safe and supportive environment.

Our key strategies are broken up into six areas:-

1. Communication
- 2: Participation and Performance
- 3: Human Resources
- 4: Swimming Assets
- 5: Financial Stability
- 6: Membership

Under Strategic Area 1 – Communication – our organisational goal is to Improve Communication to Stakeholders

- Develop appropriate communications schemes for dissemination of information to members.
- Put in place appropriate controls to ensure the integrity and security and integrity of Member information
  
- Develop appropriate communications schemes for the provision of information to external stakeholders.

Under Strategic Area 2 – Organisational goal is to Improve Participation and Performance

- \* Promote competition swimming
- Expansion of club membership
- Investigating the development of additional training opportunities.

Under Strategic Area 3 – Organisational goal is to Develop Human Resources

- Develop and grow volunteers supporting the club
- Ensure that the caliber and skills of coaches supports our vision of competitive swimmers achieving their personal bests.
- Develop a training regime for volunteers including official and non-official training.

Under Strategic Area 4 – Organisational goal is to Improve the Clubs Access to Facilities and Equipment.

Under Strategic Area 5 – Financial Stability. The viability of the club is dependent upon the successful management of finances. The club requires finances not only for the day-to-day running, but the provision of new or replacement training equipment and club social events.

- Organisational goal :
- To ensure the financial viability of the club.
- To ensure that the club members profit from any fundraising.

Under Strategic Area 6 – Membership. The Motueka and Districts Swim Club is committed to develop membership structures in order to support continuous development of the club and to ensure that the sport meets the needs of the members.

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

### Goals and Strategies- Develop Membership Structures

- Maintain membership at an appropriate level for the club
- Ensure schemes are in place for maintaining or increasing membership levels.

Each year in August, the committee reviews the above vision and strategies and formulates a plan for the next 12 months of activity - we call this our one page plan. From time to time, we will be seeking the support of members and parents to help with these initiatives and welcome anyone who wishes to put their hand up to help.

To wrap up, I believe the Motueka Swim Club can look forward to another good season in 2010/2011. As a club, we will continue our focus on promoting the sport of swimming in our town, and encouraging our swimmers to achieve their personal best in a healthy, safe and supportive environment.

Thank you

**Andrew Gray**  
**President**  
**28 May 2010**

### **WAIMEA SWIMMING CLUB** **Presidents Report 2009/2010**

At this time of the year we can reflect on a successful and enjoyable season with our membership showing old members returning and new members joining us. The club is in good heart and this year we have ended our season with 41 swimmers. I have heard many stories about how well our swimmers have done in their own school swimming sports, many of them have qualified for the Interschool competitions.

Your committee has been working exceedingly hard this year. I wish to extend sincere thanks to the following committee members and their families, Shireen Stringer (Treasurer), Natalie Dick (secretary), Michelle Cooper (head coach), Lisa Hunt (coach level 3), Michelle Stirling and Trudy Meikle. Special thanks to Trudy and Natalie who joined us this year and who have done a great job organising rosters and taking on extra tasks. Organising carnivals and fundraisers and all the many administrative tasks takes a huge amount of effort, time and commitment and without a committee we would not have a club. The coaches have asked me to pass on their appreciation for the hard work of the committee members – they noted that this year the pool has been set up and ready to go on time more than in previous years.

The new covers, roller system and automatic winder have been a great boost this season with pool temperatures staying up as a result. At one stage the pool temperature got to 28 degrees and it is still 23 degrees. We will look forward to the completion of the gym extension giving us back some space To all those parents and caregivers who came to the pool to help during the season, thank you so much. There are many things to do to make sure the swimmers get the best use of time in the pool and all help is appreciated.

Thank you to our coaches Michelle Cooper, Lisa Hunt, Nigel Tyer, Stephanie Flowers and Amy Cooper who have enabled swimmers to develop their potential. Our level one and two coaches Stephanie and Amy have done so well and the young swimmers have enjoyed their coaching. We were lucky to persuade Nigel Tyer to join us this season, with 15 years of coaching experience we appreciate his enthusiasm and fresh ideas. We have also been very fortunate to have the coaching expertise of Jos Pattison at our pre-season swimming and at the pool side this season. He has been a huge asset and great help to our swimmers and coaches and we extend our warmest thanks to him for his ongoing help. Lisa Hunt, our wonderful level 3 coach, remarked upon the swimmers great attitudes this year saying that all the coaches had said what a wonderful bunch of kids you were to coach. I noticed many saying thank you to their coaches at the end of each session which is a testament to this attitude – keep it up.

The benefits of swimming are huge – the entire body, heart, lungs, upper and lower body muscles is exercised with very little joint strain. Parents by supporting the swim club you are supporting your children in a wonderful sport. We need committee members and helpers every year so volunteer for our committee now.

All the best for the rest of the year – see you back next season.

**Lynn Anderson**

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

### **President**

**Waimea Amateur Swimming Club would like to thank the NZ Community Trust for their support in providing a Grant towards our pool hire costs.**

### **NAYLAND SWIM CLUB Presidents Report 2009/2010**

Another year has come to an end and also the end of our Swimming Season. The years seem to pass so quickly and the children also grow so quickly.

Our swim club is run by a committee so a big thanks to our committee for all the hard work that they have put in over the swimming season, and also through the year, the work behind the scenes always seems to go unnoticed, but this is what keeps the club running effectively. The committee works hard to keep the fees competitive and as low as we possibly can.

Unfortunately we are saying goodbye to two of our committee members, Janice Bromell and Brenda Skurr. They have been on the committee and have done some really great work for our club, and they will be greatly missed. We wish them well for the future.

We had a fantastic end of year BBQ get together as well as our Ribbon Carnival in February. Thank you to the parents and committee who volunteer for the jobs to make the carnival such a success. Also thank you to the coaches who organized the children at the end of the pool before their races.

Thanks to our coaches Brenda, Jasmine, Sarah and Anna who worked hard through the season with our children teaching them to swim and to improve the fitness of the older children. Jasmine has moved on to full time employment so we wish her well for the future.

### **Gail Pope President**

### **NELSON SWIMMING CLUB Presidents Report 2009/2010**

The 2009/10 season has been one of considerable change that has seen the club increase in strength and lay foundations for greater growth in the coming years.

#### **Swimming (Pool)**

Of particular note has been the performance of Fraser Neill who has been the outstanding senior club swimmer for the season. He qualified for events at the National championships and achieved top eight in NZ in two of these. His potential has been recognised in that he has been selected to take part in a Swimming NZ training camp. Of the younger boys, William Borrell at butterfly reached the last eight at national level and Eddie Neill with freestyle are both emerging as potential champions.

In the girls, Zoe Borrell has consolidated her position as best girl swimmer in the club with some great performances at freestyle and breaststroke. Caitlin Abbott is performing well at backstroke, Cara Pearson at butterfly and Madison Stanley at breaststroke. In the young age group Clare Balance and Sophie Usai are starting to come through as talented swimmers.

#### **Swimming (Sea)**

The club supported the competition this season with a big turn out at each race. We dominated the short distance events and made a real impression on the front of both long and short distance races. Fraser Neill produced a phenomenal performance to dominate the majority of the races he was able to do. He would have won the overall award had he been able to compete in the required ten events.

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

In the boys the club was well represented regularly with Fraser, Austin Dean, Fenn Anderson and Jack Thornton. Alex McMaster was also a regular with solid performances in the top half of the field.

Zoe Borrell outperformed all the other ladies and won the overall award. Other regular strong performances came from Caitlin Abbott, Vanessa Price and Josie Wilcox.

We would all like to say a big goodbye and good luck to Fenn Anderson who is off to Europe via Fiji having been a regular at the club for some 5 years. Josie Wilcox will also leave the club in August to take up a sports scholarship at the University of Tulsa in the USA. Hopefully her time at the club will stand her in good stead as she aims to become an elite athlete in the not-too-distant future.

### **Club Structure**

The last 12 months has seen a concerted effort to get the club onto a stable and secure basis for the future. This has largely been achieved through the efforts of individual committee members. As a result the club now offers almost daily sessions at two locations with the addition of morning sessions.

The club is in a sound financial position through attention to detail in collecting fees and accounting. The club has also raised its profile locally through fundraising at local swim competitions and sea swims. I would again like to give a particular thanks to Tony McMaster who did the club proud with his mobile barbecue and chef skills. Later in the year Tony will be embarking on his 21 day fundraising walk to Christchurch from Nelson and we all wish him well.

I would like to thank Sali for the hard work put in with learning the complex and largely thankless recorder job.

I would also like to thank the other members of the committee, Richard and Karen Borrell for their work with the finances, Liz McMaster for her Secretary skills and Tony again for his professionalism and 'no messing' approach to getting things done. I am also encouraged by the contribution of new committee members who are adding strength in depth to the club.

Big thanks too to Dan for his boundless energy and motivation even when the club is going through major changes. I would also like to thank Eileen who is making some real advances at ASB which should start to show some good results in the near future.

The next 12 months will be interesting as we have committed ourselves to working with the other clubs in the region to try and identify ways in which we can co operate for the benefit of all swimmers.

**Paul Thornton**  
**Club President 2009/10**

## **KAIKOURA AMATEUR SWIMMING CLUB** **Presidents Report 2009/2010**

I am pleased to report on the 2009/10 Season. We had over 100 registered members. There were 6 groups at the Kaikoura Primary School, the coaches there were Monique Smith, Rebecca Macer, Sally Hall and Barbara Young. The children were all taught the Swim Smart lesson plan up to Level 5, with each child being assessed by the coach and awarded the certificate that corresponded with their individual level. This will be used to help assess group levels next season. I would like to thank the coaches again for their time and also acknowledge and thank the Primary School for letting us use their facilities.

With the support of Sport Tasman and the co-operation of Mr Wallace at the Lions Pool, we were able to hire 2 lanes and start Swimming Lessons from 3.30 thru to Adult Swimming finishing 7.00p.m. Monday – Friday. The Lions Pool coaches were Rebecca Mansfield, Tracy Cooney, Sue-Ann Jones, Melissa Jones, Rebecca Mullaly and Viv Garrett. Thank you once again for your support and time. We ran 2 Swim Carnivals, which were both very

well supported. The swimmers had their individual times recorded and received certificates at the end of season breakup. At the first carnival, swimmers received a packet of chips, can of drink, and chocolate fish. At the second carnival a group of Inland Road parents got together and ran a sausage sizzle, swimmers received a sausage, can of drink and chips and I would like to acknowledge and thank this group.

## **SWIMMING NELSON MARLBOROUGH INCORPORATED**

Evening Adult Swimming was on Monday, Wednesday, and Friday starting at 6.00pm. This was well supported. Mrs Ingram, with help from Jo Willet, ran the two week Learn To Swim Programme during January. This is very popular with the younger swimmers. Mrs Ingram not only gave up her time to organise and run this, but also continued to coach a group of little ones at the Primary School pool. Your time and experience is greatly appreciated, thank you.

We held our break up at the Mayfair Theatre, putting on a movie and supplying drinks and chips.

Belinda Galley, the Swim New Zealand Coaching Development Manager was to come down and run a coaching clinic, but due to a management reshuffle prior to Xmas break, her job changed. I have since been in contact with Jill Seymour who is the Top of the South coaching Manager and we are working at doing something early next season.

We are continuing with raffles at Robbies each Friday. Thank you to Kim McPherson for putting together a raffle Roster for the swimming season. Myself and Barb will pick this up through winter and will start a roster again next season. We were very fortunate to have 22 parent helpers on this roster.

Once again I would like to thank all who have given their time in some way helping to make 2009/10 a very successful year.

## **GOLDEN BAY SWIMMING CLUB** **Presidents Report 2009/2010**

Kia ora koutou

First of all a big huge thank you to all the committee, instructors and poolside helpers for their effort towards making the 09/10 season a success – and to Golden Bay High School for their continued support of the Club with allowing us to use the pool.

The season began with the new “open day” swim. The children came along ready to swim and be put through a skills assessment to streamline the process of enrolling them in an appropriate group. Although it made for a busy time on the enrolment day, the coaches managed to grade the swimmers into groups to begin instructing the following week in the pool heated by the new GBHS boiler.

The instructing was split into learn-to-swim/stroke development (E,D,C) groups and fitness/competitive (B and A) groups. On the whole the assessment day worked well, although some minor re-shuffling of swimmers inevitably happened.

The Club capped the number of members initially, due to wanting smaller groups to make the teaching manageable for the number of instructors available. Luckily more parents came on board prepared to help with groups so those on the ‘waiting list’ were able to be absorbed into the Club earlier than anticipated. Other community spirited people with various swimming backgrounds came to offer assistance with the more able swimming groups as well. So a big thank you all round.

Three people were funded by the Club to attend an instructing course in Blenheim and their skills were monitored and assessed by Giesela.

The Tata Swim in January went smoothly with the efficient organising skills of Maddy and her team of helpers. It is an event looked forward to by many here in the Bay as well as holiday makers. Thank you to those people

in the Club and Community who donated time, money and prizes towards this event. As always Clements Rylock are our main sponsors of the Tata Swim. Thank you from the Club for keeping this historical event going.

A small band of dedicated competitive swimmers attended meets over the hill in Motueka and Nelson which culminated in two swimmers (Tui and Zak) attending the South Island Town and Country Champs in Invercargill. Along with the two Motueka swimmers who attended, they managed to bring home the cup for the region with

the most points per swimmer – good things come in small parcels! A bonus for sending a small, skilled team!  
Well done to those four swimmers.

The season finished just before Easter as the pool temperature dropped. Heating of the pool is an on-going issue that is being investigated.

Once again a big thanks to everyone for their sterling efforts, especially those people who contribute to the Club even though they do not have children swimming in it! We look forward to everyone's support next season.  
Thank you.

Helen Young  
President  
June 2010
