President's Report 2011/2012

Firstly, I would like to apologise for not being out and about this last season as much as I would have liked. My wife has been in poor health, as Board members are aware.

Well, what a year with a great number of personal best times, records broken (some of them very old!), and our noticeably larger teams heading off to National meets.

Well done to all our swimmers. Your training has proven to be well worth the time you have put into it. Also, we must thank our coaches for their time and dedication.

I would also like to thank our hard-working Board this year. As with last year, many hours have been put into all matters regional, as well as the major amount of time and distraction of the Swimming New Zealand Review. My thanks especially go to Brent for representing our region in negotiations with Swimming New Zealand and the mediation process which followed - a good result! We need to look at the future of swimming in New Zealand. The platform has been set by the Chris Moller Review.

Well done to clubs for your input into the region, which is valid at all times, please keep this up!

Thank you, Kay, for your excellent work during the past twelve months.

To the sub-committee that arranged the Winter swimming at Riverside and the ASB Aquatic Centre, thank you for your time and commitment in this area. Well done!

I hope that swimmers and their parents will continue to support the Swimming Nelson Marlborough Board in this coming year.

I look forward to seeing you all poolside this coming season!!

Stephen Fryer
President

Chairman's Report – 2011/2012

Our region has had a very successful and busy year with great achievements at all levels in the pool. Nelson Marlborough had its largest team attend the 2012 National Age Group Championships in its history. Well done to our region's swimmers, coaches and administrators on these great results.

My thanks go out to your Board, who have all contributed to a very challenging year, not only with the routine functions, but also in additional areas which have demanded much of their time and ongoing commitment to your sport.

These additional areas included discussions with Swimming New Zealand and coalition regions over issues our region felt important to our swimmers. This included being a party to mediation with Swimming New Zealand which led the way to the just completed independent review of the sport and the abolishment of Project Vanguard.

Involvement in the Swimming New Zealand Review saw the preparation of two submissions with subsequent attendance at an interview with Chris Moller in Wellington.

There was also the ongoing communication with Swimming New Zealand over regulation changes, and the qualifying times and set up of National Meets.

The Board also prepared and spoke to a submission to the Nelson City Council Long Term Plan regarding the future of Nayland Park and Riverside Pools.

The Board continued with its involvement in securing winter water space and played an active part in the ongoing club co-operation discussions, ensuring that the interests of all clubs were being represented and also organised funding for, and obtained, up-to-date Team Manager programmes for the region and a number of our clubs.

In the past year, the Board has continued to ensure transparency and open communication, particularly in relation to the review of Swimming New Zealand. The Board held a meeting of all clubs prior to finalising its initial submission to the Review with the aim of receiving input from our clubs, and being united as a region. This was very successful with our region focussing on what we deliver to our athletes.

Finally, on this issue of communication to clubs I would like to thank Kay for her continued hard work ensuring that all clubs were kept up-to-date and informed.

Our AGM is being held the day after the Special General Meeting of Swimming New Zealand where the recommendations of the Review are being voted on by the regions.

Regardless of the result, it will be a very important and busy year ahead. If accepted, we will be looking at the implementation of a new Constitution for Swimming New Zealand, as well as a new Constitution for our region. We will also be planning for inclusion in a competition zone with the lower North Island and having our input into a new national "whole of sport" plan. At the same time, we will be ensuring the delivery of the opportunities needed by our swimmers and coaches to reach the same levels of success as the year just completed.

MR ROSS BRAGG - RECIPIENT OF SWIMMING NEW ZEALAND LIFE MEMBERSHIP AWARD

Ross Bragg – Swimming New Zealand Life Member

At the recent State Insurance 2012 Swimming New Zealand Awards Ross Bragg was recognised for his 32 years of outstanding contribution to our sport and was created a Life Member of Swimming New Zealand. The awards venue and with the timing following New Zealand's most successful Olympic qualifying national championships made this moment all the more special. It would be fair to say that Ross was totally surprised by the award. He had been invited to present the award for the Swimmer of the Year with a Disability and had no inkling that he would be on the stage having his own successes recognised.

John Mace, chair of the awards committee read the citation and Ross Butler, chair of Swimming New Zealand presented the certificate.

Ross Bragg's involvement with swimming began in 1980 supporting his daughters at the Nelson South Swimming Club. This led to both technical and administrative involvement with that club and then the Nelson Marlborough Region. Ross was president of Nelson Marlborough from 1988-90 and again from 1993-95.

From the late 1980s Ross began to have involvement at national level – again as both a technical official and also in the administration of the national body. He was vice president of the then New Zealand Swimming Federation from 1993-99 and also a member of the technical advisory committee.

1990 also saw the start of Ross' involvement at international level – initially as a starter and progressing over the years to roles as judge, referee and meet director. Roles that saw him officiating at major events in New Zealand, Canada, Australia, Malaysia, Japan and Samoa.

In addition, Ross has been particularly involved with the Paralympics and Special Olympics since 1994 - fulfilling multiple roles at events over the years throughout the world. This has included being a referee at the Sydney and Athens Paralympics and chief referee in Beijing.

Ross is now Head of Officiating on the International Paralympics Committee. Ross's contribution to swimming in New Zealand had been enormous – we congratulate and thank you.

SEASON

CLUB REPORTS

NELSON SOUTH SWIMMING CLUB

President's Report 2011/12

I look back on another successful year in the pool, with many swimmers attending national meets and performing with great credit on the national stage. This doesn't happen by accident, and is the result from many hours of training, determination and dedication from the swimmers, huge parental support and a quality coaching programme. Well done to everyone involved, you can look back on the year with justified pride.

The major issues we face as a club relate to the escalating cost of winter training. Clubs have combined to share resources again this winter, and the combined cost of the lanes we are hiring from CLM at Riverside and the Aquatic Centre is more than \$30,000.00. I continue to find this incredulous, that a relatively small number of sports-people are faced with such a cost. The fact that we are small in number is part of the issue - you can be sure that sports with large participant numbers such as netball and rugby would be heard if they were facing winter training costs of upwards of \$500 per player, before factoring in the costs of competition. We have had some success in obtaining funds to reduce the cost to families (thanks to Lion Foundation and the team that put together the funding application). The ongoing cost of winter training is not likely to go away any time soon unless we find a way to work together across the clubs and with CLM to hire lanes at a reasonable cost. I know there will be a dedicated group of parents who will continue to work on this issue.

We have also been successful in a funding application to the Canterbury Community Trust for funds towards the cost of electricity and installing hot showers. We are working with the school to progress the plans for hot showers - these will be coin operated so that we minimise ongoing running costs and reduce the time that young people might spend in the shower!

During the past year I have been present for many events and activities that demonstrate the camaraderie and friendship that is a feature of Nelson South - the annual working bee at the start of the summer season, the club nights, the barbeques that become more gourmet by the year, club champs and prizegiving. The support that is evident amongst the membership, swimmers and families, is a real strength - long may it continue.

There is some uncertainty around swimming at present, with the national body looking at how to respond to a critical review and the possibility of changes to regional structures. Along with that Nelson South is leading the debate around what is the best structure for swimming at club level in Nelson. I trust this debate will progress with open minds looking to put in place what is best for swimmers.

Your 2011/12 Committee has worked hard behind the scenes and I thank them all for the effort, commitment, consideration and open debate that I have seen. I am aware that Kareen Howes is not seeking re-election as Club Captain and want to acknowledge her efforts in this role over many years. Fiona McGill is standing down as Secretary, and Liz Coke will not be seeking re-election to the Committee - my thanks to all 3, your input has been valuable.

Finally, I am standing down as President and take this opportunity to wish the club the very best for the future - I am confident that the culture that has been built over many years will sustain the club for many years to come.

BLenheim SWIMMING CLUB INC.,

President's Report 2011/2012

To start I would like to thank and congratulate all volunteers, parents, past and present members and the coaching team for a fantastic season. This past season has brought with it some huge challenges but also many successes. It's encouraging to see the swimmers enjoying the sport, improving their fitness, gaining confidence and making lifelong friendships, both within the club and outside the region. For the competitive swimmers, it is great to see them being rewarded for all their hard work by gaining personal best times and achieving personal goals.

The opening of our fantastic aquatic facility, new starting blocks (with thanks going to Nelson Marlborough Board) and support from enthusiastic coaches within the region is sure to set a firm platform to an even more successful 12/13 season provided focus and energy remains on what is best for all swimmers to enjoy the sport.

The committee has been able to focus on some of the bigger issues facing swimming in Marlborough through a member survey and the commencement of a strategic plan. Many challenges have been encountered over the season from adapting to meets in a 10 lane pool, investigating improved coaching options and development of the club. Energy has gone into capturing and retaining members, as this will resolve many of the other issues that the club is currently faced with. While there is much to be done, I feel confident that the committee will listen to the swimmers/members and include their ideas and recommendations into the planning process.

While we scrape for every dollar and do not have the funds to do everything we would like to do, our treasurer, Natalie Brokenshire, has performed an amazing job with many successful grant applications and ensuring the club remains in reasonable financial shape. Blenheim Swim Club has been asked to assist with the Marlborough Home and Garden Show again in 2012, which is proving to be our biggest annual fundraiser.

Other positive outcomes this season have included supporting coaches to up skill, with both Ian and I achieving or working towards Bronze certification, and a swim clinic held in Marlborough with FINA coach, Horst Meihe. New skills and ideas are not the only outcomes from attending these training courses, but relationships have been formed with clubs and coaches from around the country, which can provide more opportunities for swimmers and coaches.

Even though the swim club is still dealing with unfinished business, I am sure the club and committee is on the right track to progress forward in a positive way to encourage swimmers to achieve what they desire from the sport in a safe and supportive environment.

To conclude I would like to farewell Sarah Woodhouse from the committee and thank her for all the energy she had provided as club secretary, and picking up the duties as Acting President since my resignation.

Regards
Jenni Gane

Nelson Swimming Club
President's Report – 2011 2012 Season.

Pool Competition

The 2012 swimming season was an outstanding competitive year for the Nelson Swimming Club.

The first National event held since the last annual report was the delayed 2011 Div2 Competition, and started the year well for the club. With a depleted team, due to the change in venue and date, we had 2 competitors, Cara Pearson who picked up 1 Gold Medal in the 200 Fly, and Eddie Neill 2 silver medals in the 200IM and 200 Breaststroke.

1 month later it was the National Short Course champs, William Borrell and Eddie Neill headed to the National Short course champs, Eddie made the final of the 200 Breaststroke (9th place).

Then it was on to the summer season and the start of the regular competitive season. The junior squads starting to show their hard work in the winter had paid off with some significant improvements in the pool at nearly every start!

We ran a very successful meet at Nayland Park and thanks goes to all of you who helped in the organisation as well as timekeeping and cooking on the day. What has become clear however, is our reliance on the other clubs for the running of a swim meet. We were very fortunate to have a Blenheim Starter, Nelson South Meet Referee, chief timekeeper and 2 Nelson South IOT's to help us run the meet. As we now have the largest swimming club in the region, we do need to improve our contribution at an official capacity. I would like to encourage IOT's to consider stroke judge, starter, chief timekeeper, and refereeing roles. Those who are timekeeping regularly should consider the next step of becoming an IOT. Another observation was the clash with the Blenheim Club Champs which reduced the numbers from Marlborough to 2 swimmers. The events have been separated for this December's meet, scheduled for the 1st of December.

For the bulk of December and January, the team got together for some significant fund raising, with barbecues, raffles, a car wash, and a fashion show all contributing to help swimmers get to the Wellington Champs in late January. A special thanks has to go to Shirlene Spencer and Mike Johnstone for their efforts in co-ordinating the fundraising. In 2012 we should consider an early application to a charitable trust for assistance in reducing costs for the meet. Over 20 swimmers competed at the Aquatic centre in Kilbirnie with some spectacular results. The medal tally was the best that the club has had at a major regional meet in many years. The tally was as follows:

5 x Gold Medals: Madisen Stanley(3), Sam McKenzie, and Caitlin Oldridge

2 x Silver : Fraser Neill

5 x Bronze: Fraser Neill (3), Sam McKenzie, William Borrell.

From this meet many swimmers qualified for their respective 2012 National events, and the time had come for our swimmers to show how hard work pays off.

The first event was the National Junior Champs in Wellington, and our best National result of the year – with Sam McKenzie winning the Gold Medal for the 50m Freestyle and a Bronze Medal for the 50 Fly. Kaleb Johnstone also performed well with some great PB's in his first National outing - achieving finalist status in the 50 back and gaining 8th place..

On to the South Island Town and Country meet in Cromwell, where Talya Harwood and Cassandra Hagen both performed brilliantly. Cassandra gained 2 gold and 3 silver medals, and Talya 2 gold and one bronze medal.

The National Age Groups saw our largest group of swimmers attend for many years with William Borrell, Sam McKenzie, Eddie Neill, Fraser Neill, Cara Pearson and Madisen Stanley all competing.

All performed well with Fraser making the final of the men's 16 years 400IM and gaining 9th place.

William Borrell was our only swimmer to qualify for the National Open Swimming Champs where he competed in the 50 Fly.

Finally the Div2 Competition for 2012 was held in its normal timeslot. This year a larger team of 8 swimmers attended with some outstanding results:

Amy Coulton W14: Gold medals in 400 and 200 Free, Silver in 800 Free

Zoe Borrell W17: Finals in 200 Breast (7th) and 100 Breast (8th)

Pippa Cornish W17: Silver 50 breast, Finals in 100 Breast (5th)

Ellie Gaging W13: Finalist 50 Fly (7th)

Jake Hogg M15: Finalist 50 Breast (5th)

Jacob Johnstone M16: Finalist 100IM (5th)

Brittany Spencer W17: Bronze 50 Breast & 200 Breast

Kaine Ransby M16: placed 12th 100 Free.

We wrapped the year up with the most comprehensive club champs we have had for many years. Lots of competitors and lots of trophies and ribbons were won. This has grown to be a very successful event, and we have a great team of parents who chipped in and helped to make it a success.

Sea Swims

The port Nelson Sea swims run for 19 weeks over the summer and are very popular for many of our swimmers. With over 180 regular swimmers, the competition was not easy. Once again Nelson Swimming Club dominated the Age Groups in the divisions in which we competed and took 4 of the 6 Super Swimmer Open category awards.

Be aware that 3 committee members were also regular competitors – however they posed no threat to the younger members of the club.

Looking ahead

The 2012 winter programme for the combined squad is being handled by a single lane space and coaching “entity” through the Nelson South Swimming Club. They have also been successful in gaining a Lion Foundation Grant to assist in reducing the cost of lane space and coaching over the winter months.

The summer 2012/2013 program has yet to be established – however the very successful integration of Masters into the Nayland Squad, and the National Squad training at Nayland twice a week will most likely continue as this made the Nayland sessions viable. Special thanks must go to Sali Matthews the club recorder who has handled all of the correspondence and entries for the club in the last 2 years. This is a very time consuming role that Sali handles very well.

Thanks too to Richard Borrell who is standing down as treasurer for the club after 3 years of service.

I look forward to an even more successful year for the Nelson Swimming Club, and would like to thank the committee for their help in making the year as successful as it has been.

WAIMEA AMATEUR SWIMMING CLUB

President's Report 2011/12

At this time of the year we can congratulate ourselves on continuing a long held tradition that is the Waimea Amateur Swimming Club, whose inaugural meeting was held on the 26th of October 1906. We have again helped to produce wonderful, fit and healthy young swimmers. We can reflect on a successful and enjoyable season with a healthy increase in membership shown by members returning and many new members joining us. The 2010/11 season last year ended with 45 swimmers and this year we have ended our season with 57 swimmers, an increase of 27%. I have heard many stories about how well our swimmers have done in their own school swimming sports and at interschools; it's great to hear this.

Your committee has been working exceedingly hard this year with some having joined us for the first time. I wish to extend sincere thanks to the following committee members and their families, Trudy Meikle (Treasurer), Nikki Thomas (secretary), Lisa Hunt (coaching co-ordinator and coach of the Bronze and Copper levels), Michelle Cooper (recorder and coach of the Silver level), Jos Pattison (coach of the Gold level), Steve Malthus, Jenny Limmer & Shirley Hollis. Unfortunately Nikki and Trudy are standing down from their roles, but are remaining on the committee and I would like to thank them for their time and commitment to the club. Organising carnivals and fundraisers and all the many administrative tasks takes a huge amount of effort, time and commitment and without a committee we would not have a club. This year we would love more parents to get involved with the club and come and join our committee. This means that when we have people retiring we will retain the knowledge that is so important in running the club.

We started our season at the ASB Aquatic Centre on 31 October and then moved to the Waimea College pool on 12 December but boy, was it cold (the water and the weather). I felt that it never really warmed up this season. Unfortunately, the Waimea College pool is not heated and the college turned down our request to have a solar heating panel installed last year (to be funded partly by our club), so we are currently looking at the possibility of hiring the Wakefield pool, which is indoors, for the beginning and end of the next swim season.

ANNUAL REPORT & BALANCE SHEET 2011-2012

SWIMMING NELSON MARLBOROUGH INCORPORATED

We have had more swimmers than in previous years competing in local and regional swim meets and ribbon carnivals this year and as Michelle said to me recently, she was delighted that there appeared to be real team spirit. A highlight for the club this year has been the success of our swimmers at the Country and Town championships, which saw 11 swimmers qualify and 7 compete at the South Island Country and Town championships in Cromwell, the highest number of swimmers in the history of our club. We held our Ribbon Carnival in February and our Club Champs in March which were very successful, thanks to all those who took on roles to make this happen – notably your committee joined by Steph Brown who did a wonderful job of marshalling the swimmers and

Jason and Chris on the barbeque. We had visiting officials Steve Fryer, Eric Peters, Kareen Howes, Angie Karwowski and Graeme Troman and we thank them for their help.

The club ended the season with a fun interclub swim meet with the Greymouth Swim club in Greymouth. We were made to feel very welcome and everyone seemed to have fun (as evidenced by the photos posted on Facebook – and it wasn't just the kids who had fun!) I would like to consider the possibility of us hosting the Greymouth club some time next season. We will be starting winter swim coaching in the middle of May and more detail will come out about this shortly.

Thanks to Michelle this year who, as the club recorder, has installed and run a new swimming software programme on the club's laptop computer, called Meet Manager which has significantly simplified the running and recording of times for our ribbon and club champs. I would also like to thank the Lion Foundation for their grant of \$1,500 which enabled us to purchase new stop watches and I would also like to thank Swimming Nelson Marlborough who have provided our club with the Meet Manager software programme to use on the club laptop free of charge.

To all those parents and caregivers who came to the pool to help during the season, thank you so much. There are many things to do to make sure the swimmers get the best use of time in the pool and all help is appreciated. Our special thanks go to Michelle Cooper, Steve Malthus, Jason Lovell and Jos Pattison for their extra help with pool duties in closing up, also to all the swimmers that helped.

Thank you again so much to our coaches Lisa Hunt, Michelle Cooper and Jos Pattison who have enthusiastically given up their time to coach our swimmers to develop their potential. We are extremely lucky as a club to have three coaches who are extremely competent, inspirational and dedicated to the swimmers. I believe Waimea Swimming Club teaches children to further their swimming, gain perseverance and stamina in an environment where they can grow physically and mentally enabling them to deal with life's challenges. Let's keep it going, help us as much as you can.

Sue Malthus
President
Waimea Swim Club

PRESIDENT'S REPORT

16 JUNE, 2012

Another very positive year for the swim club.

Today is my last meeting as club President and I would like to thank a number of people for all their valuable contributions during my term.

First on my list is our superb coach Andy. Andy has proven to be a huge asset for our club and swimmers. Andy's vast experience in competitive swimming, his technical skills, and his fantastic way with children and people, has undoubtedly been reflected in many of our swimmers' top performances again this season.

Thanks to past and present club members for acting as officials at club meets, and all other parents that have contributed as timekeepers and in other swimming functions.

Members of the committee

Helen Dwyer is also moving on today from her role as club treasurer. She has done an outstanding job again this year as treasurer, a committee member, a fundraiser, a parent.

Cherie Trevurza once again has been tireless in her support to the club - poolside and as part of our executive.

Tanya Roberts is our committee secretary and makes sure we are all organized. Tania has been fabulous to work with over the past 3 years. She has kept us all on task, is calm and committed; things just happen efficiently and accurately when she is around.

Leigh Gray, another departing member, has put in an enormous amount of time.

Andy (again) and Karen and Phillipa for their contributions.

A big thank you to this executive team; these are people who put in many hours of their personal time and without their effort the club would not survive.

Thanks again.

The new Motueka covered swimming pool complex unfortunately is not likely to happen in the next decade following the TDC's recent decision to pull the project from the 10 Year Plan. This is very unfortunate for the club as it presented a great opportunity for existing swimmers to train all year round in Motueka, and would have likely enhanced the club's ability to grow.

To wrap up, I have really enjoyed my time with the club, and wish the new team all the best in the future.

President's Report:

Another successful swimming season has come to an end. All swimmers have improved and all coaches will be back on board next year, so that has got to be a success! We had seven swimming groups with 54 swimmers this season. Heather and Jo took Thursday lengths again to build the childrens' strength and stamina, so thank you. One coach snapped her Achilles tendon half way through the season but luckily Karen volunteered to take her group, and hopefully she will carry on next season.

In November Chris and Brenda from Swimming New Zealand did a four hour swim safe training session with most of our coaches, which was very informative. There is talk of holding a swimming camp in Nelson for us before a meet next season which would be fantastic.

This year we had eight swimmers go to their first swim meet in Motueka which they thoroughly enjoyed. We are looking forward to going to more meets next season.

To end the season we went along to a fun afternoon at the ASB aquatic centre. A great time was had by all and we are looking forward to being the White Sharks again in the future.

We had many children from swimming club head away to interschools district swimming sports, with some gaining placings and others just gaining experience and confidence.

Always many thanks to the coaches who volunteer their time to help teach the swimmers. With living in an area surrounded by rivers, it is vital that the children learn how to swim.

Thanks to Kathryn and Jo who not only coach, but are also Secretary and Treasurer, and I would be kind of lost without them.

President's Report 2011-2012

Another season has come to an end, and a very special thanks to those all involved.

A special thanks to all those involved in our coaching; to Stephen our head coach, our two junior coaches Kirsty and Dana, also to Jas and Ellen who came in to relieve when we needed them. We also had to say a sad farewell to our previous junior coaches -Anna who went to Auckland to further her education and Abigail who went to Christchurch for a nursing job. We wish them well for the future.

Without a committee our swim club would not be here, so a big thank you to our committee who have done a wonderful job in keeping things going. Unfortunately we are losing some of our committee. Caroline, Pam and Janine will be going on to do other commitments. I myself will be standing down from being the President, but am still prepared to help out. Thank you for all your help.

We had a great swimming carnival which had to be changed due to bad weather but the second day that we chose provided great weather. Our swimmers were fantastic and appeared to enjoy themselves. A big thanks to our volunteers, as without their help, this would not have been as successful an evening as it was.

Thank you all for your support over this season and we look forward to seeing you all next season.

Kaikoura Amateur Swimming Club PRESIDENTS REPORT for the 2011/2012 Season

I am very pleased to report on the 2011/2012 Season. We had another good year with over 100 registered members. There were 8 groups at the Kaikoura Primary school, the coaches there were Silki Rae, Viv Perkins, Barbara Young, Letitia and Emily Mullaly. The children were all taught from the Swim Smart lesson plan up to Level 5. I would like to thank the coaches again for their time and also acknowledge and thank the Primary School for letting us use their facilities.

With the support of Sport Tasman and the co-operation of Mr Wallace at the Lions Pool again this season we were able to hire 2 lanes and start Swimming Lessons from 3.30 thru to 6.30 Monday - Friday. The Lions Pool coaches were Rebecca Mullaly, Marty Pattison, Stefan Rattray and Viv Garrett. Thank you once again for all your support and time.

Mrs Ingram ran the two week Learn to Swim programme during January. This is always very popular with the younger swimmers. I would like to thank Mrs Ingram for putting her time into this programme it is really appreciated. This year we again applied for a council grant of \$200.00 which we received, this went towards the running of this programme.

We held our break up at the Mayfair Theatre for Swimming Club members and families. We had presentations of certificates and the children received a packet of chips, bottle of drink and chocolate bar, they then watched a movie, Alvin and the Chipmunks Chipwrecked, which was very popular. Thank you to the committee for helping with this. This season we gave vouchers to our coaches, from Dolphin Encounter Kaikoura, as a token of appreciation.

Yvonne Bowater is standing down from Treasurer, and I would like to thank her on behalf of the committee for all her help and support over the years. It has been really appreciated. I am also standing down as President. I would like to sincerely thank Barb, Yvonne, Marlene and the rest of the committee for their help and support over the years. I will continue to coach. Once again I would like to thank all who have given their time in some way helping to make 2011/2012 a very successful year.
