## Chair's Report 2016/17

This year has again seen some excellent performances from our swimmers, with greater participation at national events and many age group and open records set.

Our regional championships were very well attended, with 135 swimmers at SNM Country & Town meet and 134 at the SNM Long Course Champs. We have adopted new language for our regional champs – with the summer champs becoming the SNM Long Course Champs and the winter champs becoming the SNM Short Course Champs. We have also had trophies donated for the SNM Short Course champs, and I would like to thank the McMath, Bishop/Hagan, Lile and Hall families plus one anonymous donor for these new cups.

NZ Juniors was run as zonal meet this year for the first time. Despite the Makos zone having the toughest qualifying times of the four zones, we saw a large increase in the number of our swimmers attending the Makos zone Junior Festival and making finals. Congratulations to our younger cohort of competitive swimmers!

A significant achievement this year was the organising and running of the inaugural Tasman primary schools swimming champs. The event was very positive, with participation by 25 schools and over 100 swimmers, and some of the smaller schools winning medals.

The Board was pleased to see the resolution to persistent chlorine problems at the Richmond Aquatic Centre. We worked closely with Tasman SC to maintain pressure on pool management to address these problems and are relieved to finally see improvements in the filtration system resulting in better air quality in the facility.

The Board and Management Committee arrangement for delivering governance and operational direction for the region is working well. We have been fortunate to have Mark Lile join the Management Committee, and look forward to the future participation of swimmers' representatives Jacob Northage and Matai McGuinniety.

Mandy Bishop and Phil McMath are standing down from the Board and I would like to acknowledge their substantial contribution to our region. Mandy has taken the lead in breathing life into our strategic plan through development and monitoring of performance measures for our KPIs. In addition, she was the prime driver in organising the Tasman primary schools champs. Phil has been a workhorse for our region, organising the touchpads and timing gear, refereeing, serving on the Technical Committee and training new officials, to mention just a few of his contributions. A huge thank you to both of you and I hope we will continue to see you poolside on occasions.

We also say farewell to Margaret Young, the convenor of our Awards Committee and Swimmers Fund. Margaret is a Life Member of SNM, former Secretary and has given a huge amount of time over many decades to swimming. Her knowledge of the history of swimming in our region will be missed! Thank you, Margaret, for your dedication and support of swimming and swimmers.

We have also been successful with funding applications, in particular securing a large grant from Pub Charity to purchase new dive blocks. I also acknowledge grants from Air Rescue Services and Pub Charity for pool hire and medals. A special thanks to Melinda Baigent for her work on the fundraising portfolio of the Management Committee.

And finally, back to our swimmers. Talya Harwood represented NZ at World Junior Open Water Championships in the Netherlands. Sam McKenzie represented NZ at the State Team Age Short Course Championships in Australia. Caitlin Delany, Clara Foster, Talya Harwood and Sam McKenzie

were selected for the Tasman Pathway to Podium programme (a partnership with Sport NZ for emerging young athletes). And Sam McKenzie and Piper Riley were selected for the Makos team for the NZ Zonal Competition.

Many, many other swimmers have trained hard and swum well, whether at National Age Groups, Division 2, Junior Festival, South Island Champs and South Island Country & Town, or simply getting PBs at club and regional meets.

As always, the sport relies heavily on volunteers, and I want to thank my fellow Board and Management Committee members, club committees, coaches, technical officials, timekeepers and whanau and caregivers for giving of your time to support all of our swimmers and help them to achieve their goals.

A handwritten signature in black ink, appearing to read 'S Fryer', written in a cursive style.

Stephen Fryer  
Chairman

## Report on SNM Key Performance Indicators for 2016-17

KPI	Measure of achievement
1. To organise and run events for competitive swimmers, including organising and approving the annual Nelson Marlborough swimming calendar incorporating National, South Island, Nelson Marlborough and club events. We will base the calendar on qualifying periods for higher level events to give our swimmers every possible chance of qualifying for higher events. Our calendar will provide regular opportunities for swimmers to compete against others of similar or greater ability.	a) No additional meets or changes to the calendar (apart for matters beyond the control of the clubs) are requested by clubs – <b>MOSTLY ACHIEVED</b> (one additional meet was requested and approved) b) The numbers of swimmers attending higher meets is maintained or increased – <b>ACHIEVED</b> . 141 swimmers competed at higher events over the year compared to 134 for 2015/16 - See attached tables and graphs
2. To ensure that SNM has the resources and reserves to be consistently financially viable. We will operate at break even or better and develop a financial strategy to increase revenue and set financial reserve requirements.	a) The annual income exceeds the annual costs – <b>ACHIEVED</b> b) Revenue is increased – <b>NOT ACHIEVED</b> although more grant money was received this year than last year
3. To develop and implement a strategy to retain involvement by swimmers, especially targeting retention at stages of a swimmer's career when they often drop out.	a) The number of competitive swimmers is maintained or increased – <b>NOT ACHIEVED</b> 184 swimmers for 2016/17 compared to 199 for 2015/16
4. Raise awareness of, and interest in competitive swimming within the wider NM community, as well as promoting our athletes.	a) Publicity of the sport and swimmers is co-ordinated across a range of opportunities within schools and media – <b>MOSTLY ACHIEVED</b> (most actions of the strategy have commenced, the few remaining will be reviewed or completed in 2017/18)
5. To approve a strategic plan which will include sound governance structures, processes and policies, and to self-review our effectiveness at least annually.	a) The SNM Strategic and Business Plan is implemented and reviewed annually – <b>MOSTLY ACHIEVED</b> (some implementation will occur in the next 1-2 years and a full review will occur after the AGM in August 2017)
6. To assist with the implementation and operation of the national database. SNM will offer advice and support to clubs to ensure all members are properly enrolled on the database.	a) Clubs have all members enrolled on SNZ database – <b>ACHIEVED</b>

## **CLUB REPORTS**

**2016 - 2017**

**SEASON**

## **President's Report 2016 – 2017**

This year has been another busy one for the club, organising 9 BSC club meets, our December Club Champs, Swim Nelson Marlborough Short Course and having just hosted a very successful Tasman Secondary Schools Champs. When you also include our October swim camp with Brigitte Mahan, our January swim camp and assisting with the Marlborough Primary Schools Swim Champs perhaps busy is a bit of an understatement.

These meets and swim camps would not be possible without the planning and organising by our committee and also all the parents who have continually volunteered as officials and timekeepers so thank you to everyone for their contribution.

Out of the water we have seen the introduction of dryland sessions for our senior swimmers and although this is still a work in progress it is starting to benefit our swimmers. Our new club tops have been a huge hit and provide a sense of unity. We will be following this up with new club and representative swim caps in the new season and would like to acknowledge the efforts of Emma Coldwell in organising the production and distribution of the tops.

Our swimmer pathway has now been running for a full season and helps to provide a clearer picture of our training levels and the commitment required at each stage for our swimmers, a copy can be found on our website.

In the water our children have had very pleasing results over the season and should be very proud of their achievements. Sophie Woodhouse, our swimmer of the year, represented us at National Age Groups in Wellington and has also qualified for NZ Short Course Champs to be held later in the year. We also had 4 swimmers attending Division II in Rotorua, 3 swimmers at SNZ Junior Festival in Tuarua and 6 attending SI Country and Town in Dunedin. These meets all have qualifying times and it is with the swimmers commitment to training and the motivation and support of their coaches and parents that these goals are achieved.

The meets also required significant travel for our families and I would like to thank our Grants coordinator, Emma Coldwell, for her efforts applying for grants to help ease the financial burden of attending away meets.

Our coaches, Liz and Marian, work tirelessly with our children to make them the best swimmers that they can be. I would like to extend the club's thanks to both of them for their ongoing support to the club and the swimmers. We all know how hard it is sometimes just to get our children to the pool so we are really appreciative that we then hand them to the coaches who have to make them train.

Our club membership continues to grow and the Have a Go sessions held several times a term have assisted in introducing potential swimmers to the club and provide some fun activities for our development squad.

We continue to train up parents as officials and would ask those of you who would like to do more than time keep to let us know. We need a steady flow of trained officials so we can run sanctioned

meets and as we will be hosting the South Island Secondary Schools Champs in July and South Island Champs in August this puts additional pressure on the club to provide officials.

Finally I have advised the club that I will not be seeking re-election but I would like to take this opportunity to thank everyone on the committee for their support and efforts.

Thank you and I know with all your support our success will continue well into the future.

**Presidents Report 2017.**

This swimming season was interrupted by an earthquake just before the opening month which resulted in our local community pool being damaged beyond repair. Unfortunately this put a stop to our swimmers that would have been using this pool for their lessons.

A big thank you to Marlene Ingram who pushed on and organized the coaches of the junior swimmers and ending up with 50plus swimmers using the primary school pool for another successful summer of learn to swim.

The primary school pool has had a heat pump installed which should be a huge improvement of water temp for future seasons.

The town is currently in the planning process for a new community pool to be built so we will be without a main pool for some time, but really excited for what this new facility could add for our swim club and the community in the future. Once again appreciation and thanks goes out to all involved in running this club each season and special thanks to the committee for another year.

AGM Meeting 28<sup>th</sup> May 2017

Location: Parklands School

Welcome to all the club swimmers and their families to the club's prize giving and AGM for 2017. Apologies for my absence I am away in the mountains freezing my butt off in the Southern Alps of the West Coast all in the name of pleasure.

Congratulations to all the swimmers from all levels for their dedication to the sport and the club this year

Congratulations to those swimmers that do have their names on a trophy today. There are some great swimmers from past years on these trophy's, so having your name on one is no small feat, when you look at those above you and what they have achieved with their swimming.

To the coaches, well done on what you have achieved with these children in such a short period of time and helping so many of them to achieve their and your goals. The club is very hopeful that all the coaches will return for next season.

The pool project is still a go and the fundraising committee has finally received the feasibility study if only 6 months late, this has held up some large donations from coming forward as they have been waiting to see if their donations would be used. On the fundraising side of things from the last report given to me the \$200,000 mark wasn't far off. This mark will enable the committee to start applying for grants from groups such as Lions foundation.

A big thanks to all those on the committee and their time and effort put into running this club. Thanks again to the coaching staff for their commitment to our swimmers. Thanks to all the kids and their families for their support of the Motueka Swimming Club. The biggest thanks of all again must go to Philippa Thain, who runs this club at times one handed thank you Philippa.

Yours sincerely

Scott Heywood

# **Murchison Amateur Swimming Club**

Presidents Report 20<sup>th</sup> June 2017

Hello and welcome to the Murchison Swimming Club's AGM.

It has been a full on season for all our swimmers with those new to the club and those who have returned and everyone has had personal gains from gaining water confidence to improving their swim skills. Our numbers swelled last season and memberships are predicted to remain high.

Firstly a big thank you must go to our coaches, Judy Peacock, Tessa Whitnall, Hayley Brunner, Heather Kinzett, Donna Thurlow, Katie Neudekova, Solana Pettus, Dylan Bradley and assistant coaches Taine Kinzett, Georgia Mason and Brooke Mason. Without these great people we would not be able to function as a club and provide the lessons that we were able to. Thanks must also go to Kathryn who does much behind the scenes and also to Chris Pointon for taking on the role of Correspondence Person and is responsible for contacting everyone by email.

We are always on the lookout for keen capable people to join our coaching team. Our goal is still to keep our numbers low so that the swimmers get the maximum benefit from the lessons. I urge anybody considering getting involved then please do not hesitate to contact me so that we can ensure that the club can cater for all those who wish to join. We, as a club need the support of parents to become coaches.

We have to acknowledge and thank Murchison Four Square Supermarket and Nelson Building Society for their continued support and all the businesses who helped make our major fundraising raffle such a huge success. They are PGG Wrightson, Richmond McDonalds, Richmond Kmart, Nelson New World, Nelson State Cinema and Westport Solid Energy Centre.

Some of our members representing Murchison Area School went to the Buller District Swimming Sports in Westport on 24th February 2017. Jessica Bain, Morgan Duigan, Lexi Firth, Blake Johnson, Jacob Pointon, Joe Stuart, Sharni Stuart-Forbes, Amelia-Jade Swan, Luke Whitnall and Hemi Wilson. Everyone swam well and gave it their all. This resulted in Jessica Bain, Lexi Firth, Blake Johnson, Amelia-Jade Swan and Luke Whitnall representing Buller at the West Coast Championships held in Hokitika on 22nd March. A very good achievement indeed.

Once again congratulations to all of our swimmers who took part in the school swimming sports held on 16th March. There were many hard fought battles with records broken. Well done to Amelia-Jade Swan who broke three breast stroke records previously held by Brooke Mason. Mention must also be made of Taine's record breaking achievements in backstroke and breaststroke.

On Sunday 9th April, Jessica Bain, Morgan Duigan, Lexi Firth and Amelia-Jade Swan represented MAS and took part in the inaugural Nelson Tasman Primary Swimming Champs with all of the girls getting in to the finals. Well done.

As a club I would be keen to see us hold a ribbon day perhaps once a term next season. I hope this would bring the club together as a whole and give our swimmers more competition experience.

Helen Meikle

## **PRESIDENT'S REPORT 2016-2017**

### **Introduction**

It seems only a short while since the 2016 AGM. Over the past year the Committee has been engaged in a range of activities which in many cases have been the normal undertakings of the Club. In addition, there have been a number of unusual events that have required strong commitment from Committee members to work through. I would like to acknowledge this dedicated effort and thank your Committee for their dedicated contribution over the past 12 months.

This was my first term as president. I have taken the approach of generally leaving the running of the swim programme to the Club Captain, Recorder and Coaches. My focus has been on leading the improvement of the systems we have for supporting the sustainable delivery of swimming. In this area I think we have made good progress but there is more to do.

I would be remiss if I didn't flag that the Club being a 'pool operator' is a significant undertaking. Most swimming clubs do not have this responsibility but despite the hard work required from Committee members to make this arrangement work having an outdoor heated swimming pool for our use in the summer adds greatly to the essential character of our Club.

### **Swimming**

The performance of our swimmers at a wide range of meets over the past year is noted in a report compiled by Mark Lile, the outgoing Club Captain whose personal involvement over the past few years has been substantial.

I would like to take this opportunity to congratulate every swimmer that achieved a personal milestone this season. It is this achievement, individual to every member of the Club, that motivates me to make a contribution. I hope that this year's success will be increased in the next 12 months.

### **Coaching**

I would also like to again acknowledge the great work that Tim Loach, Eileen Kelly and Dan Padial gave to the Club during their tenure as coaches. The appointment of Glen Findlay has heralded another phase in the Club's life and he has continued the development of our swimmers from the base he inherited. Glen's style, personality and long experience are very obvious poolside, he is proving to be a great asset to the Club.

### **Finance**

The Club is in a reasonable financial position, the accounts are tabled separately. Jason Templer, who despite not having children in the Club, agreed to be co-opted on to the Committee is providing good financial support. He, along with Richard (Chad) Chadderton, who is helping with raising funds without being on the Committee, and Fiona Lulham comprise a finance sub-committee that will develop further next year.

### **Committee Activities**

Some of the less obvious activities the Committee has been involved in are:

- a. Successfully completing the trial of paid employment of the Club Administrator.
- b. Development of the first sets of Club policies to guide decision making.
- c. Enhancement of the financial management system.

- d. Obtaining a significant amount of grant funding that has been used to assist families to get swimmers to meets.
- e. Design and delivery of a Club 'climate' survey to be conducted bi-annually.
- f. Improving communication in the Club in by providing greater visibility of the swimming calendar and establishing the end of season briefing.
- g. Defining the main tasks to be undertaken by Committee appointment holders.
- h. Clarifying expectations and managing the relationship with Pattison Swim School.

These have been delivered on top of planning and running a range of meets and providing support for swimming training.

### **Pool Leak**

As many of you will know both pools have significant leaks. Work has been undertaken to isolate the location of these and we are now getting close to being able to develop a solution. This has been a surprisingly complex problem. Fortunately the pools themselves don't seem to be compromised but we are dealing with pipes that may in some cases be 75 years old. It is anticipated that we will have a clear idea of the source of the leaks at the beginning of June and a plan to rectify the problem by the end of the month.

### **Acknowledgment**

I have been impressed by the dedication and diligence of my fellow Committee members. Each has brought a different perspective to our deliberations and this has enhanced our decision making and contributed to improving the systems that we will increasingly rely on as the Club grows in numbers and scope of activity.

Jos Pattison has as patron of the Club been very interested in the activities of our swimmers and has provided very helpful input into resolving the problems we have had with the pool. He has also made a generous donation to the Club which is likely to be used to enhance the club rooms.

A number of parents have made significant contributions at various times. This is well beyond providing timekeeping support to meets. Thank you for volunteering your time and skill and being available when you have been asked.

### **Next Steps**

There is work yet to be completed in improving the administrative systems that underpin the Club's operations and I am confident that we will be in a strong position at the end of next year. The major project for the year will be the development of an appropriate strategic plan for the Club. Watch for information seeking your input into this process.

### **Conclusion**

The Club is in good shape, our swimmers are flourishing and as we improve our systems members are becoming better connected. Concurrently we are seeing signs of what we hope will be major growth in swimmer numbers. There is still much to be done and the Committee will always welcome offers of assistance.

## **President's Report – For 2017**

24 May 2017

What a great year for our swimmers and club - over the year there have been many records broken, PB's achieved and friendships fostered. The clubs numbers continue to increase across all the squads and throughout the day, whether at 5:00 in the morning or 3.30 in the afternoon, you will find our swimmers training, refining their strokes and receiving valuable instruction from their coach.

### **Our Numbers: SY 2016/17**

86 Swimmers  
114 SNM records broken  
65 k swum weekly by each Youth swimmer  
30 k swum weekly by each Age swimmer  
10 k swum weekly by each Intermediate swimmer  
2.5k swum weekly by each junior swimmer

Caitlin Delany won our first Open National Title when she won the Open 200 Breaststroke at the NZ Short Course Champs.

Sam McKenzie represented NZ at the Australian State Teams Champs in Canberra in September, 2016.

Tayla Harwood Represented NZ at the World Junior Open Water Champs in July.

### **Our Partners**

#### Our Parents and Caregivers

As a Club, we have hosted numerous meets throughout the year which add to the work load of our committee and parent help. The organisation required, particularly from our Recorder/Treasurer Mandy Thomas is immense and we can't thank her enough for her time, organisational skills and effectiveness.

To Meet Managers who work to ensure that swimmers get to marshalling on time and are prepared to swim the correct race. Those that provide much needed sustenance and hydration for coaches, timekeepers and thank you – the work you all do is so valuable.

Thanks to all who raise their hand to participate as timekeepers – without you all we cannot hold these events and a thank you to those who train as technical officials. Your training allows our club to support the meets hosted by other clubs when you serve as an official and is so important.

With growing success and commitment, more and more of our members are competing in National and International meets and we had high numbers attending the NZ Junior Festival, Division 2 and Long Course Nags this year which was a reflective of the huge work from the swimmers and coaching staff.

Applying for grants is a huge task and Melinda Baigent has excelled in the role of Team Fundraiser. She has been amazing this past season and her efforts have really paid off for our club and the region. A very special mention in particular to the grant obtained towards our

swimmers coaching fees. This helped considerably in easing the costs families pay towards fees and we are all very grateful to you Melinda.

We must mention and give a huge thanks to Pub Charity, Mainland and the NZ Racing Board for the grants we received towards the club.

A big thanks to Breakfast Club Parents for helping George with the setting up at 5:15 and cleaning up at 8:00, your efforts enable our kids are able to socialise over breakfast and have some fun together out of the water and head off to school with a full stomach. We cannot thank Grandfather, George McKenzie enough for his commitment here and he ensures that birthdays are celebrated and the kids leave the pool with a smile. A big thanks to Glenn and Tracey Anderson of New World Stoke for their ongoing support and sponsorship of food for his which means it only costs the kids \$2.50 a day for breakfast.

Thank you to all the managers and drivers that have given time this year to travel with the morning squad team events. Thank you– again without these people we cannot send out teams.

One massive thanks must go out around the Quiz night. What a massive night this was with so many helpers from the bar man, catering persons, raffle sellers to the outstanding MC we found. Too single a few out for this a massive massive thanks has to go to Melinda, Jenny and Janine who spent hours and hours on this event to make it a success.

A thank you to our Coach's, Andy, Alan and Cara that have worked closely with our swimmers. A special thanks to Andy and Pam for the wonderful opportunity they gave to the kids last year with summer camp – an amazing experience. I also thanks to Mandy for acting as manager on this trip.

There are numerous other ways that each of you supports our swimmers so if I have missed anyone I apologise but thank you to you all.

### **Swimming Nelson Marlborough (SNM)**

Tasman Swim Club supports the regional body, Swimming Nelson Marlborough (SNM) in several ways. Directly, we have three delegates who sit on the SNM Board. For the 2016/17 season these were Mandy Thomas, Melinda Baigent and Steve Fox who represent our club's and coach's views in regional decision making.

In addition to governance through our Board representatives, the Tasman Club works to ensure that our parents obtain training credentials as technical officials. We appreciate the time, effort and resource it takes to run a meet and we want to do our part to guarantee that they are successful by providing as much support as possible. All parents are encouraged to start with timekeeping and progress through training provided by our region's certified instructors.

Our Club further supports the regional body with the provision and storage of the "infrastructure" needed to run meets – starting blocks, touchpads, chairs and recorder's equipment.

### **CLM**

CLM has continued to support our club by allowing our swimmers to use the café space each morning and providing storage space for the Breakfast Club equipment and refrigerator. They also generously provided Speedo swim bags at cost for our members.

One of the ongoing concerns with CLM has been with the cleanliness of the pool surrounds, water quality and chemical incidents. In response to these concerns, CLM management have invited members to tour the facility's plant and Club representatives to meet on a regular basis. They have also encouraged parents to record any concerns or complaints on forms available at the front desk.

There continue to be communication issues between the swim school coordinator, parents and club regarding the notification of changes in fees and automatic payments, storage of swim gear, and changes in coaching personnel. This has been brought to the attention of CLM management and we await their response.

The committee are continuing to work with CLM to try and have better communication and involvement on an ongoing basis.

### Our Swimmers

The most important recognition must go to our swimmers. Your dedication to training, nutrition and sportsmanship is to be commended. Standing on the blocks for the first time, waiting for the whistle, is courageous and we admire you. Having strength in disappointment is tough, but you all manage with dignity. We are proud of you and feel fortunate and honoured to be a part of your growth as swimmers and as individuals.

Special mention must go to the talented and lovely Caitlin Delaney. After a breakthrough 2016 season, Caitlin was offered a swimming scholarship with San Diego State University so she left us at the end of 2016.

Caitlin won a national title in the open women's 200m breaststroke at the New Zealand Short Course Championships in Auckland in 2016 and she also claimed two age-group titles as well as silver at the same meet.

While she stood out as a swimmer, she is also a great young lady who acted as a real role model for our younger swimmers which is equally important as success.

The Tasman Club whether in the pool, at poolside or in the community is positive. Our swimmers and their supporters are polite, display great sportsmanship and win or lose with grace.

During my time in Nelson, it was lovely to work alongside the dedicated parents, grandparents and supporters of our children and our team. The 2016/17 swim year has been a great one due to the time commitment and energy so freely provided by so many.

I know we are all looking forward to our children's continued success, the further growth of our club and a continued enjoyment of the sport.

I'd like to thank the Tasman Swim Club committee members for all your support during my short Presidency. I'm very grateful to my time on the committee and I have made some lifelong swim friends. I wish every success to Tasman Swim Club.

Paula Reweti  
President

## President's report 2016/2017

We started the year president-less after Sue Malthus resigned at last years' AGM. By the end of winter, Tarnia Nixon kindly offered to be our club secretary, which freed me up to be the club President. The Club is now in its 111<sup>th</sup> year!

We are so lucky to have our amazing volunteer coaches.

Jos (Gold Squad) – who quietly encourages his swimmers and has earned their respect,

David (Silver Squad) – who is always researching and analysing new ways to coach,

Shirley (Silver Squad) – who oozes love and support in her coaching methods,

Andrew (Bronze Squad) – who is so patient with his swimmers, and

Krystal (Copper Squad) – who is magic with our youngest swimmers.

Thank you Coaches!

Your committee has also been working extremely hard this year, and without a committee we would not have a club. I would like to thank Stella Smith (Recorder). She has been working continuously with the Ribbon Carnival, then the Club Champs and now for the Prizegiving. Thank you Rochelle Lovell (Treasurer), Tarnia Nixon (Secretary), Steve Malthus (Representative for SNM), Pete and Teresa Lovell, Keryn McKay, and Jenny Limmer.

This summer we had 55 swimmers (two less than last year), and of these 22 are competitive. We had two swimmers qualify for NZ Division II events – Cody Pike and Jade Broughton. We had three swimmers qualify for Makos – Nick Lovell, Hollie McKay and Riley Nixon, with Nick attending the event. We had 17 swimmers qualify for the SI C&T championships with 14 swimmers attending this event in Dunedin last weekend.

This year the Waimea Swimming Club are holders of the SNM C&T cup (for the fourth year in a row), holders of the SI C&T top club trophy (with 7 or more swimmers) for the 2<sup>nd</sup> year running and we were the strength behind Nelson/Marlborough winning the top region trophy.

We had a very successful Ribbon Carnival with 56 swimmers entered and another great Club Champs with 13 new records set by six of our swimmers. Some of these records have stood since the 1980's! Thank you to the Committee members and parents who did a wonderful job of setting up the pool and running these meets. Thank you also to Eric Peterson, Karen Anker, Hamish Neill, Lisa Hunt, Paul Aydon, Sue Malthus, Rodney Trevurza and Kirsty Rukuwai - our volunteer officials.

Our fundraising focus this year has been on replacing the racing lane ropes. We had two very successful Speights Ale house Quiz nights, one last winter and one last month and two Mitre 10 BBQs. We have now raised over \$3,600 towards our lane ropes. Next step will be a funding application to raise the balance of the \$10,000 needed for these lane ropes.

Thank you so much Stella & Jason & Westmeat for donating all the yummy sausages for our Ribbon carnival and Club Champs BBQs and the Mitre 10 BBQs. Thank you Tarnia & T&G for the onions and for chopping them all! All the parents that helped cook at the BBQs, sold tickets for the Quiz night and donated grocery items, a big thank you to you too!

We've also been successful on a few funding applications this year. We received \$1,000 from NZCT to go towards pool hire over the summer, we received \$1,485 towards accommodation in Dunedin for the SI C&T,

SWIMMING NELSON MARLBOROUGH INCORPORATED

and we just received a \$50 voucher from FreshChoice for our next fundraising activity. Thank you Pete for working through all those funding applications.

One of the highlights for me this year is seeing you all in your new hoodies. We look fabulous!

Well done everyone for a very successful year for the club!
