Event Specifications

Morning Sessions

In the morning session there will be timed final races swum in the following age groups; 13 years, 14 years, 15 years, 16 years and 17 – 18 years, and 19 & over (open).

Para multi-classification events will be swum as open age group within the able-bodied morning heats. Multi-classification finals take place in the evening for all Para events.

The top 10 ranked swimmers in each age group will swim in the final heats of each event, all other swimmers will be rank seeded in combined age groups. Medals for age groups (13 – 18 years) will be determined from the heats in the morning.

Finals

A, B and C Finals will be swum in the evening sessions and will consist of the top 30 swimmers from the morning session. C finals will only be swum when there are 40 or more swimmers that competed in the morning heats. B finals will only be swum when there are 30 – 39 swimmers in the morning heats.

Timed Finals

The 800m Free and 1500m Free for both males and females will be swum as timed finals with the only the fastest timed final swum in the finals session of that particular day.

Para Swimmers

These championships are open to Para swimmers who have a classification of some form – provisional, national or international.

This includes those swimming in the new S15, S18, and S19 classifications. These new classes align with an alternative global pathway (i.e. outside of World Para Swimming) for those with the relevant impairment or diagnosis.

- S15 – hearing impairment of at least 40dB (decibel) or greater in their better ear.
- S18 – Down Syndrome or intellectual impairment (S14) combined with a physical impairment.
- S19 – Autism diagnosis.

These classifications will earn points for their clubs and go towards the Top Multi-Class Club trophy.

S18 and S19 are international classifications are aligned to the Virtus pathway (along with S14/II1, however the classes internationally are known as II1/II2/II3).

S15 has an international pathway via the International Committee of Sports for the Deaf.

All the new classifications are recognised in Swimming Australia events.

Para swimmers may meet the qualification times in either a short course or long course pool. However, no converted times are allowed – i.e. so long as the time is met the swimmer can enter that event. There is no qualifying time for the 100m IM but it is still able to be entered. However, please ensure the swimmer can perform each stroke.

Heats and finals will take place for all events. The format for Multi-Class Finals will be confirmed in the pre-event information.

Some events are open only to those classifications which there is a global pathway for. If you are outside of those target classifications, please email cameron@swimming.org.nz to see if there is space to race as an exhibition swimmer. These additional races will only take place if 3 or more swimmers are entered, aligning with the pathway's global guidelines.

Medals will be distributed based on the World Para Swimming points system (similar to the percentage of the world record calculation) using the event software, of which results are final. S15-S19 medals will be confirmed in the pre-event information.

Swimming NZ is wanting to grow Para swimmer's involvement in relays. The introduction of relays (listed below) will be exhibition swims, so **no club points or medals will be awarded**. S15-S19 swimmers can enter also.

Relays will be decided after entries close to try find the best way to allow swimmers to compete in the relevant relay team.

- 4 x 100m Freestyle Relay – MC (the following options swum together)
 - S14 Men
 - 34 Point Women
 - 34 Point Men
- 4 x 100m Medley Relay – MC (the following options swum together)

Please note with these relays being exhibition swims, you can be part of a relay team without swimming an individual event. If you would like to swim in a relay, please contact Cameron at cameron@swimming.org.nz. A full list of eligible relays can be found within the Para swimming NZ records.

Relays

Relays will be timed-finals with all timed-finals being swum at the end of the finals session. Relay events can be entered by a national selection team (for selection purposes – including Para swimming teams), a club team or a Para/regional/zonal team. Priority of selection to teams will be in that order. Medals will be awarded to the top 3 clubs.

Any corrections and changes to psych sheets are to be sent to entries@swimming.org.nz within 24 hours of the psych sheets being posted.
